GETTING STARTED WITH BLUE OPTIONS

IMPORTANT INFORMATION REGARDING THE PLAN:

In accordance with applicable federal law, the PLAN will not discriminate against any health care PROVIDER acting within the scope of their license or certification, or against any person who has received a break on their premium, or taken any other action to endorse his or her right under applicable federal law. Further, the PLAN shall not impose eligibility rules or variations in premiums based on any specified health status-related factors unless specifically permitted by law.

Getting Started

This benefit booklet provides important information about your benefits and can help you understand how to maximize them. It's important that you read the entire booklet. If you need help or more information, it tells you how to contact us in the "Who to Contact" section.

Notes on Words

As you read this benefit booklet, keep in mind that any word you see in "small capital letters (SMALL CAPITAL LETTERS)" is a defined term and appears in the "Glossary" at the end of this benefit booklet.

This Booklet

This booklet tells you about:

- Your COVERED SERVICES and exclusions or services that are not covered
- How the PLAN works.
- How we share expenses for COVERED SERVICES
- Who is eligible to be covered under the PLAN and when this coverage starts and ends
- Our UTILIZATION MANAGEMENT programs and the right to appeal the decision
- Any Special Programs that may come with the PLAN.

PRIOR REVIEW and CERTIFICATION

Certain services require PRIOR REVIEW and CERTIFICATION in order for you to avoid a penalty. General categories of services requiring PRIOR REVIEW and CERTIFICATION are noted in "COVERED SERVICES." To determine if a specific service requires PRIOR REVIEW and CERTIFICATION, visit www.BlueCrossNC.com for the PRIOR REVIEW list, which is updated when new services are added or when services are removed. You can also call Blue Cross NC Customer Service. See "PRIOR REVIEW (Pre-Service)" in "UTILIZATION MANAGEMENT" for information about the review process.

GETTING STARTED WITH BLUE OPTIONS *(cont.)*

Exclusions and Limitations

Exclusions and limitations apply to your coverage. Service-specific exclusions are stated along with the benefit description in "COVERED SERVICES." Exclusions that apply to many services are listed in "What Is Not Covered?" To understand the exclusions and limitations that apply to each service, read "COVERED SERVICES," "Summary of Benefits" and "What Is Not Covered?"

No Assignment of Benefits

The benefits described in this benefit booklet are provided only for MEMBERS. These benefits, the right to receive payment under the PLAN, and the right to enforce any claim arising under the PLAN cannot be transferred or assigned to any other person or entity, including PROVIDERS. Blue Cross NC will not recognize any such assignment, and any attempted assignment is void if performed without Blue Cross NC's prior written consent. PROVIDERS are not considered beneficiaries under the PLAN and do not have standing to sue under ERISA. Blue Cross NC may pay a PROVIDER directly. For example, Blue Cross NC pays IN-NETWORK PROVIDERS directly under applicable contracts with those PROVIDERS. However, any PROVIDER'S right to be paid directly is through such contract with Blue Cross NC, and not through the PLAN. Under the PLAN, Blue Cross NC has the sole right to determine whether payment for services is made to the PROVIDER, to the SUBSCRIBER, or allocated among both. Blue Cross NC's decision to pay a PROVIDER directly in no way reflects or creates any rights of the PROVIDER under the PLAN, including but not limited to benefits, payments or procedures. For more information see "Additional Terms of Your Coverage."

More Information upon Request

You may receive, upon request, information about Blue Options, its services and DOCTORS, including printed copies of this benefit booklet with a benefit summary, and a directory of IN-NETWORK PROVIDERS.

Medical and Reimbursement Policies

Certain services are covered pursuant to Blue Cross NC medical and reimbursement policies, which are updated throughout the plan year. These policies describe the procedure and criteria to determine whether a procedure, treatment, facility, equipment, drug or device is MEDICALLY NECESSARY and eligible for coverage, INVESTIGATIONAL or EXPERIMENTAL, COSMETIC, or a convenience item. The most up-to-date medical and reimbursement policies are available at www.BlueCrossNC.com/content/services/medical-policy/index.htm, or call Blue Cross NC Customer Service at the number listed in "Who to Contact?"

Reduced or Waived Payments

- From time to time, MEMBERS may receive a reduced or waived copayment, deductible and/or coinsurance on designated services, therapies, or PRESCRIPTION DRUGS in connection with programs designed to reduce medical costs, or to encourage

MEMBERS to seek appropriate, high quality, efficient care based on Blue Cross NC criteria.

Common Insurance Terms

To help you become familiar with some common insurance terms concerning what you may owe after visiting your PROVIDER, see the chart below and the "Glossary:"

Deductible	The amount of money you must pay for COVERED SERVICES in a BENEFIT PERIOD before the PLAN begins to pay for COVERED SERVICES. The deductible does not include coinsurance, charges in excess of the ALLOWED AMOUNT, amounts exceeding any maximum, or charges for noncovered services.
Coinsurance	Your share of the cost of a covered health service, after you have met your BENEFIT PERIOD deductible. This is stated as a percentage of the ALLOWED AMOUNT. The coinsurance listed is your share of the cost of a COVERED SERVICE.
OUT-OF-POCKET LIMIT	The OUT-OF-POCKET LIMIT is the dollar amount you pay for COVERED SERVICES in a BENEFIT PERIOD before the PLAN pays 100% for COVERED SERVICES in a BENEFIT PERIOD. The OUT-OF-POCKET LIMIT includes your deductible, coinsurance, and copayments. It does not include charges over the ALLOWED AMOUNT, including any charges over the allowable cost difference between GENERIC and BRAND-NAME drugs, premiums, and charges for noncovered services.

Please note: The Blue Options plan is intended to be a high deductible health plan ("HDHP") that qualifies its MEMBERS to contribute to a health savings account (HSA), unless its MEMBERS are otherwise ineligible under applicable federal requirements. Please consult a qualified tax advisor if you are unsure about your eligibility. In addition, the **deductible** and **OUT-OF-POCKET LIMIT** amounts listed in the "Summary of Benefits" may be revised each year in accordance with Internal Revenue Service (IRS) rulings.

SUMMARY OF BENEFITS

This section provides a summary of your Blue Options benefits. A more complete description of your benefits is found in "COVERED SERVICES." General exclusions may also apply—please see "What Is Not Covered?" As you review the "Summary of Benefits" chart, keep in mind:

- Coinsurance percentages shown in this section are the part that you pay for COVERED SERVICES
- Amounts applied to deductible and coinsurance are based on the ALLOWED AMOUNT
- Amounts applied to the deductible also count toward any visit or day maximums for those services
- Benefits may differ depending on where the service is performed and if the service is received with any other service or associated with a surgical procedure.
- If your benefit level for services includes deductible or coinsurance, your PROVIDER may collect an estimated amount of these at the time you receive services.
- If a MEMBER uses Health Savings Account (HSA) funds to pay their PROVIDER and the PROVIDER refunds money to the MEMBER as a result of an overestimation of the MEMBER'S deductible or coinsurance, the MEMBER must return this money to the HSA in order to avoid any tax impacts.
- To receive IN-NETWORK benefits, you must receive care from a Blue Options IN-NETWORK PROVIDER. However, in an EMERGENCY, you may receive care from an IN-NETWORK or OUT-OF-NETWORK PROVIDER. Please see "EMERGENCY and Ambulance Services" in "COVERED SERVICES" for additional information on EMERGENCY care.

Please Note: The list of IN-NETWORK PROVIDERS may change from time to time, so please verify that the PROVIDER is still in the Blue Options network before receiving care. Find a PROVIDER on Blue Cross NC's website at www.BlueCrossNC.com or call Blue Cross NC Customer Service at the number listed on your ID CARD or in "Who to Contact?"

Most Cost-Effective Benefit Level

As a MEMBER of the Blue Options plan, you enjoy quality health care from a network of health care PROVIDERS and easy access to SPECIALISTS. You do not have to get a referral to see your DOCTOR. You also have the freedom to choose health care PROVIDERS who do not participate in the Blue Options network – the main difference will be the cost to you. To get the most from your health care benefits, visit an IN-NETWORK PROVIDER.

Benefits are available for services from an IN- or OUT-OF-NETWORK PROVIDER that is recognized by Blue Cross NC as eligible. For a list of eligible PROVIDERS, please visit Blue Cross NC’s website at www.BlueCrossNC.com or call Blue Cross NC Customer Service at the number listed in “Who to Contact?” Here’s a look at how it works:

	IN-NETWORK	OUT-OF-NETWORK
Type of PROVIDER	IN-NETWORK PROVIDERS are health care professionals and facilities that have contracted with Blue Cross NC, or a PROVIDER participating in the BlueCard® program. ANCILLARY PROVIDERS outside North Carolina are considered IN-NETWORK only if they contract directly with the Blue Cross or Blue Shield plan in the state where services are provided, even if they participate in the BlueCard® program. See “Glossary” for a description of ANCILLARY	OUT-OF-NETWORK PROVIDERS are not designated as Blue Options PROVIDERS by Blue Cross NC. Also see “OUT-OF-NETWORK Benefit Exceptions.”

OUT-OF-NETWORK Benefit Exceptions

You will only be responsible for your IN-NETWORK share of the cost and PROVIDERS may not bill you more than your IN-NETWORK share of the cost in the following situations:

- When EMERGENCY SERVICES are provided by an OUT-OF-NETWORK PROVIDER or an OUT-OF-NETWORK EMERGENCY facility*
- When you receive EMERGENCY MEDICALLY NECESSARY ground or air transport ambulance from an OUT-OF-NETWORK PROVIDER*
- When you receive MEDICALLY NECESSARY air transport ambulance from an OUT-OF-NETWORK PROVIDER*
- When non-EMERGENCY SERVICES are provided by an OUT-OF-NETWORK PROVIDER at an IN-NETWORK health care facility*
- When non-EMERGENCY SERVICES are provided by an OUT-OF-NETWORK PROVIDER in situations where IN-NETWORK PROVIDERS are not reasonably available as determined by Blue Cross NC's access to care standards
- In Continuity of Care situations

*These situations may not qualify for an OUT-OF-NETWORK PROVIDER benefit exception if the MEMBER gives consent. Please see www.cms.gov/nosurprises for notice regarding surprise billing describing your rights and how consent may impact these situations.

For more information, see one of the following sections: "EMERGENCY and Ambulance Services" in "COVERED SERVICES," or "Continuity of Care" in "UTILIZATION MANAGEMENT." For information about Blue Cross NC's access to care standards, visit Blue Cross NC's website at www.BlueCrossNC.com and type "access to care" in the search bar. If you believe an IN-NETWORK PROVIDER is not reasonably available, you can help assure that benefits are paid at the correct benefit level by calling Blue Cross NC before receiving care from an OUT-OF-NETWORK PROVIDER.

HOW BLUE OPTIONS WORKS *(cont.)*

Bundled Care and Payments Program

Blue Cross NC is working with a select group of high-quality PROVIDERS to deliver coordinated care and simplified billing. All your care is coordinated for you, and all costs for services are billed together—saving time and reducing paperwork. Visit www.BlueCrossNC.com/bundle for more information and to see the list of PROVIDERS participating in this program. You will also want to verify that these PROVIDERS are in the Blue Options network by visiting www.BlueCrossNC.com or calling Blue Cross NC's Customer Service at the number listed in "Who to Contact?". The list of SURGERIES and specialties, and participating PROVIDERS under this program may change from time to time.

Carry Your IDENTIFICATION CARD

Your ID CARD identifies you as a Blue Options MEMBER. Be sure to carry your ID CARD with you at all times and present it each time you seek health care.

For ID CARD requests, please visit Blue Cross NC's website at www.BlueCrossNC.com or call Blue Cross NC Customer Service at the number listed in "Who to Contact?"

The Role of a PRIMARY CARE PROVIDER (PCP) or SPECIALIST

Blue Cross NC is strongly committed to continuously improving your quality of care and reducing the cost of using health care services. Maintaining a relationship with a PCP, who will help you manage your health and make decisions about your health care needs is an important step towards ensuring you receive the highest quality of care. In certain situations you may be asked to select an available IN-NETWORK PCP after you enroll. While we are requesting you select a PCP it is not required. If you do choose a PCP you may change your selected PCP, including an OUT-OF-NETWORK PCP, at any time by visiting www.BlueCrossNC.com.

If you change PCPs, be sure to have your medical records transferred, especially immunization records, to provide your new PROVIDER with your medical history. You should participate actively in all decisions related to your health care and discuss all treatment options with your health care PROVIDER regardless of cost or benefit coverage. PCPs are trained to deal with a broad range of health care issues and can help you to determine when you need a SPECIALIST. PROVIDERS from medical specialties such as family practice, internal medicine, and pediatrics, may participate as PCPs.

Please visit Blue Cross NC's website at www.BlueCrossNC.com or call Blue Cross NC Customer Service to confirm that the PROVIDER is in the network before receiving care.

If your PCP or SPECIALIST leaves the Blue Cross NC PROVIDER network and they are currently treating you for an ongoing special condition, see "Continuity of Care" in "UTILIZATION MANAGEMENT."

HOW BLUE OPTIONS WORKS *(cont.)*

Upon the request of the MEMBER and subject to approval by Blue Cross NC, a SPECIALIST treating a MEMBER for a serious or chronic disabling or life-threatening condition can act as the MEMBER'S PCP. The selected SPECIALIST would be responsible for providing and coordinating the MEMBER'S primary and specialty care. The selection of a SPECIALIST under these circumstances shall be made under a treatment plan approved by the SPECIALIST and Blue Cross NC, with notice to the PCP, if applicable. A request may be denied where it is determined that the SPECIALIST cannot appropriately coordinate the MEMBER'S primary and specialty care.

To make this request, or if you would like the professional qualifications of your PCP or IN-NETWORK SPECIALIST, you may call Blue Cross NC Customer Service at the number listed in "Who to Contact?"

PREVENTIVE CARE

The PLAN covers PREVENTIVE CARE services that can help you stay safe and healthy.

Under federal law, you can receive certain covered PREVENTIVE CARE services from an IN-NETWORK PROVIDER in an office-based, outpatient, or ambulatory surgical setting, or URGENT CARE center, at no cost to you. Please note, this benefit is only for services that indicate a primary diagnosis of preventive or wellness and which are identified by recent federal regulations as being eligible. Services, such as diagnostic lab tests, that may be delivered with a PREVENTIVE CARE service are not considered PREVENTIVE CARE. These services and services that do not include a primary diagnosis of preventive or wellness will be subject to your IN-NETWORK benefit level for the location where services are received. In addition, if a particular PREVENTIVE CARE service does not have a federal recommendation or guideline concerning the frequency, method, treatment or setting in which it must be provided, the PLAN may use reasonable medical management procedures to determine any coverage limitations or restrictions that may apply.

Please visit Blue Cross NC's website at www.BlueCrossNC.com/preventive or call Blue Cross NC Customer Service at the number in "Who to Contact?" for the most up-to-date information on PREVENTIVE CARE that is covered under federal law, including any limitations that may apply. For more information on the exception process please visit www.BlueCrossNC.com/umdrug.</p>
	<p>Tier placement of PRESCRIPTION DRUGS in the FORMULARY may be determined by: the effectiveness and safety of the drug, the cost of the drug, and/or the classification of the drug by the U.S. Food and Drug Administration (FDA) or nationally-recognized drug databases (e.g., Medispan).</p>
	<p>The PRESCRIPTION DRUGS listed in the FORMULARY or their tier placement may change from time to time due to a change in the cost of the drug and/or in the classification of the drug by the U.S. Food and Drug Administration (FDA) or nationally-recognized drug databases (e.g., Medispan).</p>

During these circumstances, you must request a refill within 29 days after the date of the emergency or disaster (not the date of the declaration). A refill of a PRESCRIPTION with quantity limitations may take into account the proportionate dosage use prior to the disaster.</p> <p>Certain combinations of compound drugs may require PRIOR REVIEW and CERTIFICATION. For specific information about drug classes with limited or no plan coverage, please visit www.BlueCrossNC.com/umdrug. WHEN COVERAGE BEGINS AND ENDS

This section provides information on who is eligible and how to qualify for coverage under the PLAN:

Table of Contents: <ul style="list-style-type: none">• Enrolling in the PLAN• Adding or Removing a DEPENDENT• Qualified Medical Child Support Order• Type(s) of coverage• Reporting Changes• Continuing Coverage• Termination of MEMBER coverage	Key Words: <ul style="list-style-type: none">• EMPLOYEE• DEPENDENTS• PLAN ADMINISTRATOR
---	--

To be covered under the PLAN, you must be an active full-time EMPLOYEE who works 30 or more hours per week. However, your EMPLOYER may establish additional criteria you must meet before you are eligible for coverage. This may include satisfying a probationary period or waiting period before your coverage begins. You may also be eligible for coverage under the PLAN if the PLAN ADMINISTRATOR allows eligibility to extend to other persons, such as retirees.

EMPLOYEES whose employment is subject to a collective bargaining agreement are not eligible, unless health benefits were the subject of good faith bargaining and the collective bargaining agreement specifically provides for coverage under the PLAN. Independent contractors, leased EMPLOYEES and temporary EMPLOYEES are not eligible.

For DEPENDENTS to be covered under the PLAN, you must be covered and your DEPENDENT must be one of the following:

- Your spouse, under an existing marriage that is legally recognized under any state law
- Your, your spouse's or your DEPENDENT CHILDREN through the end of the month of their 26th birthday. Your EMPLOYER may require proof that your DEPENDENT CHILD meets the definition of DEPENDENT CHILD as outlined in the "Glossary."
- A DEPENDENT CHILD who, in accordance with North Carolina law, is and continues to be either intellectually or physically disabled and incapable of self-support may continue to be covered under the PLAN regardless of age if the condition exists and coverage is in effect when the child reaches the end of eligibility for DEPENDENT CHILDREN. The disability must be medically certified by the child's DOCTOR and may be verified annually by the PLAN.

When Coverage Begins

Eligible EMPLOYEES may join the PLAN on the first of the month following the date of hire.

Your DEPENDENTS may join the PLAN on the later of the date you become eligible for EMPLOYEE coverage or the date your DEPENDENT becomes your DEPENDENT. You must enroll

WHEN COVERAGE BEGINS AND ENDS *(cont.)*

new DEPENDENTS within 30 days of the date they become your DEPENDENTS, or during a SPECIAL ENROLLMENT PERIOD. Otherwise, you will need to wait until the next Annual Enrollment Period.

Enrolling in the PLAN

The PLAN no longer has a pre-existing condition rule or pre-existing condition exclusion period. However, it is still important that you consider enrolling yourself and your DEPENDENTS within 30 days of becoming eligible for coverage under the Plan. Once made, coverage elections are irrevocable until the next plan year unless you qualify for one of the SPECIAL ENROLLMENT PERIODS below or experience a Change In Family Status that is valid under Section 125 (See the Section 125 discussion in this booklet). Remember that adding yourself or your DEPENDENTS as the result of a Change in Family Status must be consistent with that change.

How to Enroll

To enroll you and your DEPENDENTS, you will need to complete an enrollment form or its electronic equivalent and return it to the PLAN ADMINISTRATOR during the first 30 days of eligibility, or, under the provisions for a SPECIAL ENROLLMENT PERIOD, or, under the provisions for a Change in Family Status under Section 125. Otherwise, you may enroll for a subsequent plan year by completing an enrollment form or its electronic equivalent and returning it to the PLAN ADMINISTRATOR during the Annual Enrollment Period.

SPECIAL ENROLLMENT PERIODS

SPECIAL ENROLLMENT PERIODS are 30 day periods during which an EMPLOYEE and/or DEPENDENT may enroll in the PLAN as a result of certain situations and events as described in this section. If you decline coverage at the time you are initially eligible because you and/or your DEPENDENTS have coverage under another health plan, and if you and/or your DEPENDENTS lose coverage under the other plan, you and/or your DEPENDENTS will be eligible to enroll in this PLAN within 30 days of losing coverage. You may be required to provide documentation showing your loss of coverage. If an eligible or covered EMPLOYEE marries, has a child, adopts a child, or has a child placed for adoption, you as well as eligible DEPENDENTS may join the PLAN within 30 days from the event.

See also "Adding or Removing a DEPENDENT."

Section 125

Because your medical EMPLOYEE contributions are paid with pre-tax dollars, under IRS regulations, you may not change your elections during a plan year, except within 30 days after a Change in Family Status or during a SPECIAL ENROLLMENT PERIOD. Any change in your election must be consistent with the Change in Family Status and must meet all other IRS requirements. Subject to additional IRS regulations that may be in effect from time to time, a "Change in Family Status" means:

- Your marriage;

WHEN COVERAGE BEGINS AND ENDS *(cont.)*

- Your divorce, annulment or legal separation;
- Your death or the death of your spouse or child;
- A change in a dependent child's eligibility due to age;
- A change in employment status for you or your spouse that has an impact on benefits (including termination or commencement of employment, strike or lockout, commencement or return from an unpaid leave of absence);
- A reduction or loss of your dependent's coverage under this or another plan; A loss of coverage under Medicaid or the Children's Health Insurance Program (CHIP); or
- A Qualified Medical Child Support Order (QMCSO) that mandates coverage for an eligible DEPENDENT CHILD(REN); or
- You, your spouse, or your dependent child has a change in place of residence.

Other events may be designated as Changes in Family Status by the Internal Revenue Service in its regulations and will be so recognized by the PLAN.

You are responsible for notifying the PLAN ADMINISTRATOR of all Changes in Family Status within 30 days of any of these events (within 60 days for loss of Medicaid or CHIP coverage). CHIP is the national and state Children's Health Insurance Program.

Open Enrollment elections will take effect on January 1st of the following year. If you do not complete an election form before the end of the Election Period/Open Enrollment Period, your elections for the current year will remain in effect unless the PLAN ADMINISTRATOR conducts a positive Open Enrollment which means that everyone who wants coverage must submit a new enrollment form to be covered/enrolled in the PLAN.

Adding or Removing a DEPENDENT

Do you want to add or remove a DEPENDENT? You must notify the PLAN ADMINISTRATOR and fill out any required forms.

For coverage to be effective on the date the DEPENDENT becomes eligible, any forms must be completed within 30 days after the DEPENDENT becomes eligible.

If you are adding a newborn child, or a child legally placed for adoption or a FOSTER CHILD, and adding the DEPENDENT CHILD would not change your coverage type or premiums, the change will be effective on the date the child becomes eligible (the date of birth for a newborn, or the date of placement for adoption for adoptive children, or the date of placement of a FOSTER CHILD in your home), as long as coverage was effective on that date. In these cases, notice is not required by the PLAN ADMINISTRATOR within 30 days after the child becomes eligible, but it is important to provide notification as soon as possible.

DEPENDENTS may be removed from coverage by contacting the PLAN ADMINISTRATOR and by completing the proper form. DEPENDENTS must be removed from coverage when they are no longer eligible, such as when a child is no longer eligible due to age, or when a spouse is no longer eligible due to divorce or death. Failure to timely notify your PLAN ADMINISTRATOR of the need to remove a DEPENDENT could result in loss of eligibility for continuation of coverage.

WHEN COVERAGE BEGINS AND ENDS *(cont.)*

Qualified Medical Child Support Order

A Qualified Medical Child Support Order (QMCSO) is any judgment, decree or order that is issued by an appropriate court or through an administrative process under state law that: (1) provides for coverage of the child of a MEMBER under the PLAN; and (2) is either issued according to state law or a law relating to medical child support described in Section 1908 of the Social Security Act. A QMCSO must be specific as to the participant whose child(ren) is (are) to be covered, the type of coverage, the child(ren) to be covered and the applicable period of the QMCSO. A copy of the QMCSO procedures may be obtained free of charge from the PLAN ADMINISTRATOR.

Types of Coverage

These are the types of coverage available:

- EMPLOYEE-only coverage—The PLAN covers only you
- EMPLOYEE-spouse coverage—The PLAN covers you and your spouse
- EMPLOYEE-children coverage—The PLAN covers you and your DEPENDENT CHILDREN
- Family coverage—The PLAN covers you, your spouse and your DEPENDENT CHILDREN.

Reporting Changes

Have you moved, added or changed other health coverage, changed your name or phone number? If so, contact the PLAN ADMINISTRATOR and fill out the proper form. It will help assure better service if Blue Cross NC is kept informed of these changes.

When Coverage Ends

Generally, your participation in the PLAN will end on the earliest of:

- If the person is over the age of 65 and still actively at work, this PLAN is primary to Medicare;
- The date of your termination;
- When you enlist in the armed forces of the United States or any other country, except as a reservist; or
- The end of the period for which you last pay a required premium.

Generally, your "DEPENDENTS" coverage will end on the earliest of:

- When your "DEPENDENT" no longer meets the definition of "DEPENDENT" under the PLAN; or
- The end of the period for which you last pay a required premium for "DEPENDENT" coverage.

If you or your DEPENDENTS lose coverage because of certain "Qualifying Events," you and your family may be eligible for "COBRA Continuation Coverage" beyond the limitations described above. COBRA Continuation Coverage is more fully described in another section of this Summary Plan Description.

WHEN COVERAGE BEGINS AND ENDS *(cont.)*

Coverage under the PLAN may not be converted to an individual medical Plan.

Continuing Coverage

Under certain circumstances, your eligibility for coverage under this PLAN may end.

You may have certain options such as enrolling in Medicare or continuing health insurance under this PLAN. Coverage available during a leave of absence varies depending on the type of leave you take and your EMPLOYER'S leave of absence policy. Contact your Human Resources department for more information.

Medicare

When you reach age 65, you may be eligible for Medicare Part A hospital, Medicare Part B medical, and Medicare Part D PRESCRIPTION DRUG benefits. You may be eligible for Medicare benefits earlier if you become permanently disabled or develop end-stage renal disease. Just before either you or your spouse turn 65, or when disability or end-stage renal disease occurs, you should contact the nearest Social Security office and apply for Medicare benefits. They can tell you what Medicare benefits are available.

If you are covered by this PLAN when you become eligible for Medicare, consult the PLAN ADMINISTRATOR, who will advise you about continuation of coverage under the PLAN.

COBRA Continuation Coverage

What is COBRA?

COBRA refers to a federal law that ensures that employees and other "Qualified Beneficiaries" have the

opportunity to continue health care coverage upon the occurrence of a "Qualifying Event" that would otherwise result in such person losing coverage under a group health plan. "COBRA Continuation Coverage" means your right, or your spouse's and DEPENDENTS' rights, to continue to be covered under the PLAN. For further information about your rights under ERISA, including COBRA, HIPAA, and other laws affecting group health plans, see the remainder of this Summary Plan Description, contact your PLAN ADMINISTRATOR, contact the nearest regional or district office of the U.S. Department of Labor's Employee Benefit Security Administration (EBSA) in your area or visit the EBSA website at www.DOL.gov/ebsa.

Qualified Beneficiaries

A "Qualified Beneficiary" is any person who, at the time of a Qualifying Event, is covered under the PLAN as (i) an EMPLOYEE of the EMPLOYER, covered under the PLAN as of such day (such persons are called "Covered EMPLOYEES"), (ii) the spouse of the Covered EMPLOYEE, or (iii) DEPENDENT CHILD(REN) of the Covered EMPLOYEE.

In addition, a child born to or placed for adoption with a Covered EMPLOYEE during the period of COBRA Continuation Coverage is a Qualified Beneficiary. A Covered EMPLOYEE can be a

WHEN COVERAGE BEGINS AND ENDS *(cont.)*

Qualified Beneficiary only if the Qualifying Event consists of termination of employment (for any reason other than gross misconduct) or reduction of hours of employment.

Should a domestic Asahi Kasei America EMPLOYEE secure a position with any of Asahi Kasei America's global divisions/subsidiaries, reside in a foreign country and be paid through foreign payroll, the EMPLOYEE and his/her DEPENDENTS will be eligible for COBRA continuation coverage for up to 18 months as though the EMPLOYEE'S employment with Asahi Kasei America were terminated.

An individual who fails to elect COBRA Continuation Coverage within the election period described below shall not be considered a Qualified Beneficiary.

Qualifying Events

A "Qualifying Event" is any of the following which result in a loss of coverage under the PLAN:

- Termination (other than by reason of gross misconduct) of the Covered EMPLOYEE'S employment or reduction of hours of employment;
- Death of a Covered EMPLOYEE
- Divorce or legal separation of a Covered EMPLOYEE from the Covered EMPLOYEE'S spouse;
- A Covered EMPLOYEE'S becoming entitled to receive Medicare benefits under Title XVIII of the Social Security Act;
- A DEPENDENT child of a Covered EMPLOYEE ceasing to be a DEPENDENT under the terms of the plan;
- A proceeding under Title 11, United States Code (U.S.C.), with respect to the employer from whose employment
- the Covered EMPLOYEE retired at any time; or
- Your transfer to a foreign subsidiary of Asahi Kasei America International. Inc.

How to Elect COBRA Continuation Coverage

You and/or your DEPENDENTS will be offered COBRA Continuation Coverage within 14 days of the date that the COBRA administrator is notified of a Qualifying Event resulting in the termination of your or your DEPENDENT'S coverage.

When a Qualifying Event occurs, any Qualified Beneficiary entitled to COBRA Continuation Coverage shall have a period to elect COBRA Continuation Coverage which begins on the date the coverage terminates, is of at least 60 days duration, and which ends not earlier than 60 days after the later of (i) the date coverage terminates, or

(ii) the date a required notice is given of COBRA Continuation Coverage rights. Upon a Qualified Beneficiary's receipt of the notice described above, each Qualified Beneficiary will have an independent right to elect COBRA Continuation Coverage. Covered EMPLOYEES may make an election on behalf of their spouses and parents may make an election on behalf of their DEPENDENTS CHILD(REN).

WHEN COVERAGE BEGINS AND ENDS *(cont.)*

Following election, applicable fees (premiums) must be paid to the COBRA administrator within 45 days.

Required Notices

The following notices are required upon occurrence of a Qualifying Event:

- In the case of termination, reduction of hours, death, entitlement to Medicare, or a proceeding under U.S.C. Title 11 (as more specifically described above), the PLAN ADMINISTRATOR shall furnish each Qualified Beneficiary with written notification of the termination of regular coverage and his right to elect COBRA Continuation Coverage.
- In the case of divorce or legal separation, or a dependent child ceasing to be a DEPENDENT CHILD under the PLAN
- (as more specifically described above), a Covered EMPLOYEE or a Qualified Beneficiary must notify the PLAN ADMINISTRATOR within 60 days of the Qualifying Event.
- Each Qualified Beneficiary who is determined, under Title II or XVI of the Social Security Act, to have been disabled at any time during the first 60 days of COBRA Continuation Coverage is responsible for notifying the PLAN ADMINISTRATOR of such determination within 60 days after the date of determination and for notifying the PLAN ADMINISTRATOR within 30 days of the date of any final determination under such title or titles that the Qualified Beneficiary is no longer disabled.

Coverage Period

In the case of termination or reduction in hours of a Covered EMPLOYEE, COBRA Continuation Coverage for Qualified Beneficiaries shall extend 18 months beyond the date regular coverage ceased due to the occurrence of a Qualifying Event, unless during such 18-month period a subsequent Qualifying Event occurs, in which case, another election to extend coverage for 18 months shall be available to the Qualified Beneficiary. In no event, however, shall COBRA Continuation Coverage extend more than 36 months beyond the date of the original Qualifying Event.

If a Qualified Beneficiary is determined, under Title II or XVI of the Social Security Act, to have been disabled at the time of the Covered EMPLOYEE'S termination or reduction in hours, or at anytime during the first 60 days of COBRA Continuation Coverage, COBRA Continuation Coverage shall extend for 29 months from the date of the Qualifying Event, but only if the EMPLOYER receives notice of this determination within 60 days of the date of the determination and before the end of 18 months following the Qualifying Event. The period of COBRA Continuation Coverage shall cease in the first month that begins more than 30 days after the date of the final determination under the Social Security Act that the Qualified Beneficiary is no longer disabled.

In the case of death, divorce or legal separation of a Covered EMPLOYEE, entitlement to Medicare, or a dependent child of a Covered EMPLOYEE ceasing to be a DEPENDENTS CHILD under the PLAN, COBRA Continuation Coverage shall extend for 36 months from the original Qualifying Event.

WHEN COVERAGE BEGINS AND ENDS *(cont.)*

Automatic Termination of COBRA Coverage

COBRA Continuation Coverage shall automatically cease if:

- The EMPLOYER no longer offers group health coverage to any of its EMPLOYEES;
- The required premium for COBRA Continuation Coverage is not paid within 30 days of the due date;
- After electing COBRA Continuation Coverage, a Qualified Beneficiary becomes entitled to receive benefits under Medicare.

If you are covered by the PLAN and called to the uniformed services, as defined in the Uniformed Services Employment and Reemployment Rights Act (USERRA), consult the PLAN ADMINISTRATOR. The PLAN ADMINISTRATOR will advise you about the continuation of coverage under this PLAN as required under USERRA.

Also, read the section in this Summary Plan Description, "Uniformed Services Employment and Reemployment Rights Act of 1994".

Informing the PLAN ADMINISTRATOR

In order to protect all Qualified Beneficiaries under the PLAN, you should keep the PLAN Administrator informed of any changes in address of such Qualified Beneficiaries. You should also keep a record of all notices you send to the PLAN ADMINISTRATOR.

If you have any questions about your COBRA CONTINUATION COVERAGE rights, please contact the PLAN ADMINISTRATOR.

DISABILITY

If you are disabled (see the PLAN'S definition of DISABILITY), you may continue medical coverage for you and your family through the duration of your paid short-term disability leave and any unpaid leave you qualify for by paying the contributions equal to the active EMPLOYEE contributions. During any periods of unpaid leave, you must make arrangements with the EMPLOYER to make these contributions by check or money order on a regular basis because payroll withholding will not be possible.

After you have exhausted all paid and unpaid leave, your employment will be terminated. You and your family may continue coverage under COBRA. While on COBRA Continuation Coverage you will be required to pay the contributions equal to active EMPLOYEE contributions for up to 18 months (up to 29 months, if COBRA Continuation Coverage is extended due to disability). See the COBRA Continuation Coverage section for additional information.

Death of Active EMPLOYEE

If you should die while an active EMPLOYEE, your eligible DEPENDENTS may continue coverage under COBRA. DEPENDENTS will be required to pay the contributions equal to active EMPLOYEE contributions for the first six (6) months of COBRA Continuation Coverage. See the COBRA Continuation Coverage section for additional information.

Uniformed Services Employment and Reemployment Rights Act of 1994

WHEN COVERAGE BEGINS AND ENDS *(cont.)*

An EMPLOYEE on uniformed services leave is entitled to the same benefits made available to other EMPLOYEES with similar seniority, status and pay, if they were on furlough or leave of absence. If you are an EMPLOYEE and would otherwise lose coverage under this PLAN because of a uniformed services leave, you can continue coverage for yourself and your DEPENDENTS, for the lesser of the length of the leave or 24 months, even if covered by military health care programs. If the uniformed services leave is for less than 31 days, you will pay the same premium contribution as you did while you were an active EMPLOYEE. If the uniformed services leave is for 31 days or more, you may be required to pay 102% of the total premium. If you do not continue coverage during a period of uniformed services leave, your coverage will be reinstated upon reemployment.

FMLA Leave

The EMPLOYER will continue coverage for you and your dependents under the Plan in accordance with the EMPLOYER'S policy on Family and Medical Leaves of Absence as if you were in active employment if the following conditions are met:

- Applicable premiums are paid by you, and
- The EMPLOYER has approved your leave of absence in writing.
- Coverage will be continued for up to the greater of:
 - The leave period required by the federal Family and Medical Leave Act of 1993 and any amendments (under
 - some circumstances, your coverage may be continued up to 12 weeks, See Human Resources if you have
 - questions about this); or
 - The leave period required by applicable state law.

If you do not return to work at the end of your FMLA leave, you may elect COBRA Continuation Coverage for you and your DEPENDENTS.

Termination of MEMBER Coverage

Blue Cross NC will terminate coverage under the PLAN in accordance with eligibility information provided by the EMPLOYER. A MEMBER'S termination shall be effective at 11:59 p.m. on the date that eligibility ends.

Termination for Cause

A MEMBER'S coverage may be terminated upon 31 days prior written notice for the following reasons:

- The MEMBER fails to pay or to have paid on his or her behalf or to make arrangements to pay any copayments, deductible or coinsurance for services covered under the PLAN
- No IN-NETWORK PROVIDER is able to establish or maintain a satisfactory DOCTOR-patient relationship with a MEMBER, as determined by the PLAN
- A MEMBER exhibits disruptive, abusive, or fraudulent behavior toward an IN-NETWORK PROVIDER.

WHEN COVERAGE BEGINS AND ENDS *(cont.)*

As an alternative to termination as stated above, the PLAN, in its sole discretion, may limit or revoke a MEMBER'S access to certain IN-NETWORK PROVIDERS.

A MEMBER'S coverage under the PLAN will be terminated immediately for the following reasons:

- Fraud or intentional misrepresentation of a material fact by a MEMBER or DEPENDENT. However, if such termination is made retroactively, including back to the EFFECTIVE DATE of your policy (called a rescission), you will be given 30 days advance written notice of this rescission and may submit an appeal; see "Need to Appeal a Decision?" If your policy is rescinded, any premiums paid will be returned unless Blue Cross NC deducts the amount for any claims paid.
- A MEMBER has been convicted of (or a restraining order has been issued for) communicating threats of harm to Blue Cross NC personnel or property
- A MEMBER permits the use of his or her or any other MEMBER'S ID CARD by any other person not enrolled under this PLAN, or uses another person's ID CARD.

UTILIZATION MANAGEMENT

This section provides information on how certain services are reviewed to determine if they are MEDICALLY NECESSARY.

---	--

To make sure you can have high quality, cost-effective health care, Blue Cross NC has a UTILIZATION MANAGEMENT (UM) program. The UM program requires certain health care services to be reviewed and approved by Blue Cross NC in order to receive benefits. As part of this process, Blue Cross NC looks at whether health care services are MEDICALLY NECESSARY, given in the proper setting and for a reasonable length of time. Blue Cross NC will honor a CERTIFICATION to cover medical services or supplies under the PLAN unless the CERTIFICATION was based on:

- A material misrepresentation about your health condition
- You were not eligible for these services under the PLAN due to cancellation of coverage (including your voluntary termination of coverage)
- Nonpayment of premiums.

Rights and Responsibilities Under the UM Program

Your MEMBER Rights

Under the UM program, you have the right to:

- A UM decision that is timely, meeting applicable state and federal time frames
- The reasons for Blue Cross NC’s ADVERSE BENEFIT DETERMINATION of a requested treatment or health care service, along with an explanation of the UM criteria and treatment protocol used to reach the decision
- Have a medical director (doctor licensed in North Carolina) from Blue Cross NC make a final decision of all NONCERTIFICATIONS
- Request a review of an ADVERSE BENEFIT DETERMINATION through the appeals process (see “Need to Appeal a Decision?”)
- Have an authorized representative seek payment of a claim or make an appeal on your behalf.

An authorized representative may act on the MEMBER’S behalf with the MEMBER’S written consent. In the event you name an authorized representative, “you” under the

UTILIZATION MANAGEMENT *(cont.)*

“UTILIZATION MANAGEMENT” section means “you or your authorized representative.” Your representative will also receive all notices and benefit determinations.

Blue Cross NC’s Responsibilities

As part of all UM decisions, Blue Cross NC will:

- Give you and your PROVIDER a toll-free phone number to call UM review staff when CERTIFICATION of a health care service is needed. See “Who to Contact?”
- Limit what Blue Cross NC asks from you or your PROVIDER to information that is needed to review the service in question
- Ask for all information needed to make the UM decision, including related clinical information
- Give you and your PROVIDER timely notification of the UM decision consistent with applicable state and federal law and the PLAN.

In the event that Blue Cross NC does not receive all the needed information to approve coverage for a health care service within set time frames, Blue Cross NC will let you know of an ADVERSE BENEFIT DETERMINATION in writing. The notice will explain how you may appeal the ADVERSE BENEFIT DETERMINATION.

PRIOR REVIEW (Pre-Service)

Certain services require PRIOR REVIEW as noted in “COVERED SERVICES.” These types of reviews are called pre-service reviews.

IN-NETWORK PROVIDERS in North Carolina will request PRIOR REVIEW when necessary. IN-NETWORK inpatient facilities outside of North Carolina will also request PRIOR REVIEW for you, except for Veterans’ Affairs (VA) and military PROVIDERS. If you go to any other PROVIDER outside of North Carolina or to an OUT-OF-NETWORK PROVIDER in North Carolina, you are responsible for ensuring that you or your PROVIDER requests PRIOR REVIEW by Blue Cross NC. Approval of a pre-service review for services to be provided by an OUT-OF-NETWORK PROVIDER does not guarantee payment of the OUT-OF-NETWORK PROVIDER’S billed charges. The PLAN pays the ALLOWED AMOUNT for COVERED SERVICES rendered by an OUT-OF-NETWORK PROVIDER.

Failure to request PRIOR REVIEW and receive CERTIFICATION will result in a penalty.

If PRIOR REVIEW is required by the PLAN, you or your PROVIDER must request PRIOR REVIEW regardless of whether this PLAN is your primary or secondary coverage (see “Coordination of Benefits (overlapping coverage)”). Also, the PLAN requires notification for MEMBERS who have Medicare as their primary coverage and who are admitted to a Medicare-certified HOSPITAL or NONHOSPITAL FACILITY. If neither you nor your PROVIDER requests PRIOR REVIEW and receives CERTIFICATION, this may result in an ADVERSE BENEFIT DETERMINATION.

To request PRIOR REVIEW, please call the numbers in “Who to Contact?”

General categories of services requiring PRIOR REVIEW and CERTIFICATION are noted in “COVERED SERVICES.” To determine if a specific service requires PRIOR REVIEW and CERTIFICATION, visit Blue Cross NC’s website at www.BlueCrossNC.com

UTILIZATION MANAGEMENT *(cont.)*

for the PRIOR REVIEW list, which is updated when new services are added or when services are removed. You can also call Blue Cross NC Customer Service at the number listed in “Who to Contact?”

If you fail to follow the procedures for filing a request for CERTIFICATION, Blue Cross NC will let you know of the failure and the proper steps to be followed in filing your request within five days of receiving the request.

Blue Cross NC will make a decision on your request for CERTIFICATION within a reasonable amount of time taking into account the medical circumstances. The decision will be made and communicated to you and your PROVIDER within three business days after Blue Cross NC receives all necessary information. However, it will be no later than 15 calendar days from the date Blue Cross NC received the request. Blue Cross NC may extend this period one time for up to 15 calendar days if additional information is required. Blue Cross NC will let you and your PROVIDER know before the end of the initial 15-day period of the information needed and the date by which Blue Cross NC expects to make a decision. You will have 45 days to provide the requested information. As soon as Blue Cross NC receives all the requested information, or at the end of the 45 days, whichever is earlier, Blue Cross NC will make a decision within three business days. Blue Cross NC will let you and the PROVIDER know of an ADVERSE BENEFIT DETERMINATION electronically or in writing.

Urgent PRIOR REVIEW

You have a right to an urgent review when the regular time frames for a decision: (i) could seriously jeopardize your life, health, or safety or the life, health or safety of others, due to your psychological state, or (ii) in the opinion of a practitioner with knowledge of your medical or behavioral condition, would subject you to adverse health consequences without the care or treatment that is the subject of the request. Blue Cross NC will let you and your PROVIDER know of its decision within 72 hours after receiving the request. Your PROVIDER will be notified of the decision, and if the decision results in an ADVERSE BENEFIT DETERMINATION, written notification will be given to you and your PROVIDER.

If Blue Cross NC needs more information to process your urgent review, Blue Cross NC will let you and your PROVIDER know of the information needed as soon as possible but no later than 24 hours following the receipt of your request. You will then be given a reasonable amount of time, but not less than 48 hours, to provide the requested information. Blue Cross NC will make a decision on your request within a reasonable time but no later than 48 hours after receipt of requested information or within 48 hours after the time period given to the PROVIDER to submit necessary clinical information, whichever comes first.

An urgent review may be requested by calling Blue Cross NC Customer Service at the number given in “Who to Contact?”

UTILIZATION MANAGEMENT *(cont.)*

Concurrent Reviews

Blue Cross NC will also review health care services at the time you receive them. These types of reviews are concurrent reviews.

If a request for an extension of treatment is non-urgent, a decision will be made and communicated to the requesting PROVIDER within three business days after receipt of all necessary clinical information, but no later than 15 calendar days after we receive the request.

In the event of an ADVERSE BENEFIT DETERMINATION, Blue Cross NC will let you, your HOSPITAL'S or other facility's UM department and your PROVIDER know within three business days after receipt of all necessary clinical information, but no later than 15 calendar days after Blue Cross NC receives the request. Written confirmation of the decision will also be sent to your home by U.S. mail. For concurrent reviews, Blue Cross NC will remain responsible for COVERED SERVICES you are receiving until you or your representatives have been notified of the ADVERSE BENEFIT DETERMINATION.

Urgent Concurrent Review

If a request for an extension of treatment is urgent, and the request is received at least 24 hours before the expiration of a previously approved inpatient stay or course of treatment at the requesting HOSPITAL or other facility, a decision will be made and given to the requesting HOSPITAL or other facility as soon as possible. However, the decision will be no later than 24 hours after we receive the request.

If a request for extension of treatment is urgent, and the request is not received at least 24 hours before the expiration of a previously approved inpatient stay or course of treatment at the requesting HOSPITAL or other facility, a decision will be made and communicated as soon as possible, but no later than 72 hours after we receive the request.

If Blue Cross NC needs more information to process your urgent concurrent review, Blue Cross NC will let the requesting HOSPITAL or other facility know of the information needed as soon as possible but no later than 24 hours after we receive the request. The requesting HOSPITAL or other facility will then be given a reasonable amount of time, but not less than 24 hours, to provide the requested information. Blue Cross NC will make a decision within 72 hours after receipt of the request.

Retrospective Reviews (Post-Service)

Blue Cross NC also reviews the coverage of health care services after you receive them (retrospective/post-service reviews). Retrospective review may include a review to see if services received in an EMERGENCY setting qualify as an EMERGENCY. All decisions will be based on MEDICAL NECESSITY and whether the service received was a benefit under the PLAN.

Blue Cross NC will make all retrospective review decisions and let you and your PROVIDER know of its decision within a reasonable time but no later than 30 calendar days from the date Blue Cross NC received the request for coverage. If more information is needed, before

UTILIZATION MANAGEMENT *(cont.)*

the end of the initial 30-day period, Blue Cross NC will let you know of the information needed. You will then have 90 days to provide the requested information. As soon as Blue Cross NC gets the requested information, or at the end of the 90 days, whichever is earlier, Blue Cross NC will make a decision within 15 calendar days. Regardless if additional information is needed, in the event of a NONCERTIFICATION, Blue Cross NC will let you and your PROVIDER know in writing within five business days after making the NONCERTIFICATION.

Services that were approved in advance by Blue Cross NC will not be subject to denial for MEDICAL NECESSITY once the claim is received, unless the CERTIFICATION was based on a material misrepresentation about your health condition or you were not eligible for these services under the PLAN due to termination of coverage or nonpayment of premiums. All other services may be subject to retrospective review and could be denied for MEDICAL NECESSITY or for a benefit limitation or exclusion.

Care Management

MEMBERS with complicated and/or chronic medical needs may be eligible for care management services.

Care management (case management as well as disease management) encourages MEMBERS with complicated or chronic medical needs, their PROVIDERS, and the PLAN to work together to meet the individual's health needs and promote quality outcomes.

To accomplish this, MEMBERS enrolled in or eligible for care management programs may be contacted by Blue Cross NC or by a representative of Blue Cross NC. The PLAN is not obligated to give the same benefits or services to a MEMBER at a later date or to any other MEMBER. Information about these services can be found by calling Blue Cross NC Customer Service. You may also want to talk with your PCP or SPECIALIST.

In addition to our care management programs for MEMBERS with complicated and/or chronic medical needs, MEMBERS may receive a reduced or waived out-of-pocket costs in connection with programs and/or promotions. These are designed to encourage MEMBERS to seek appropriate, high quality, efficient care based on Blue Cross NC criteria.

Continuity of Care

Continuity of Care is a process that allows you to continue receiving care from an OUT-OF-NETWORK PROVIDER for an ongoing special condition at the IN-NETWORK benefit level when you or your group changes health benefit plans or when your PROVIDER is no longer in the Blue Options network. If your PCP or SPECIALIST leaves the Blue Cross NC PROVIDER network and they are currently treating you for an ongoing special condition that meets Blue Cross NC Continuity of Care criteria, Blue Cross NC will notify you 30 days before the PROVIDER'S termination, as long as Blue Cross NC receives timely notification from the PROVIDER. To be eligible for Continuity of Care, the MEMBER must be actively being seen by the OUT-OF-NETWORK PROVIDER for an ongoing special condition and the PROVIDER must agree to abide by the Blue Cross NC requirements for Continuity of Care.

UTILIZATION MANAGEMENT *(cont.)*

An ongoing special condition means:

- SERIOUS AND COMPLEX CONDITION
 - Acute illness (required specialized medical treatment to avoid death or permanent harm)
 - Chronic illness (life threatening, degenerative, potentially disabling, or CONGENITAL requiring treatment over a prolonged period of time)
- Course of institutional or inpatient care
- Scheduled to undergo nonelective SURGERY, including receipt of postoperative care with respect to such a SURGERY
- Pregnant and undergoing a course of treatment for the pregnancy
- Terminally ill.

The allowed transitional period shall end on the earlier of (i) 90 days from the date of the PROVIDER termination; or (ii) the date on which the MEMBER is no longer a patient undergoing care of the ongoing special condition with respect to such PROVIDER or facility except in the cases of:

- Scheduled SURGERY, organ transplantation, or inpatient care which shall extend through the date of discharge and post-discharge follow-up care or other inpatient care occurring within 90 days of the date of discharge; and
- Terminal illness which shall extend through the remainder of the individual's life for care directly related to the treatment of the terminal illness; and
- Pregnancy which shall extend through the provision of 60 days of postpartum care.

Continuity of Care requests must be submitted to Blue Cross NC within 45 days of the PROVIDER termination date or within 45 days of EFFECTIVE DATE for MEMBERS new to the Blue Cross NC plan. Continuity of Care requests will be reviewed by a medical professional based on the information given about specific medical conditions. If your Continuity of Care request is denied, you may request a review through our appeals process (see "Need to Appeal a Decision?"). Claims for approved Continuity of Care services will be subject to the IN-NETWORK benefit. In these situations, benefits are based on the billed amount. However, you may be responsible for charges billed separately by the PROVIDER which are not eligible for additional reimbursement. Continuity of Care will not be given when the PROVIDER'S contract was terminated for reasons relating to quality of care or fraud. Such a decision may not be reviewed on appeal.

Please call Blue Cross NC Customer Service at the number listed in "Who to Contact?" for more information.

Delegated UTILIZATION MANAGEMENT

Blue Cross NC delegates certain UM services for particular benefits to other companies not associated with Blue Cross NC. Please see

www.BlueCrossNC.com/content/services/medical-policy/index.htm for a detailed list of these companies and benefits. While some benefits have been identified under "COVERED

UTILIZATION MANAGEMENT *(cont.)*

SERVICES," the list of benefits and/or companies may change from time to time; for the most up-to-date information visit www.BlueCrossNC.com and search for "PRIOR REVIEW" for additional information, including those services subject to PRIOR REVIEW and CERTIFICATION.

In addition to the UTILIZATION MANAGEMENT (UM) program, Blue Cross NC offers a voluntary appeals process for MEMBERS. An appeal is another review of your case.

If you want to appeal an ADVERSE BENEFIT DETERMINATION or have a GRIEVANCE, you can request that Blue Cross NC review the decision or GRIEVANCE. The process may be requested by the MEMBER or an authorized representative acting on the MEMBER'S behalf with the MEMBER'S written consent. In the event you name an authorized representative, "you" under this section means "you or your authorized representative." Your representative will also receive all notices and benefit determinations from the appeal.

You may also ask for, at no charge, reasonable access to, and copies of all documents, records and other information relevant to your claim for benefits. Additionally, you will be provided with, at no charge, any new or additional evidence that is relied upon or generated by the PLAN or Blue Cross NC in connection with the claim being appealed. Please see the end of this section for contact information. References to Blue Cross NC throughout this section refer to Blue Cross NC or the designee.

Steps to Follow in the Appeals Process

For each step in this process, there are set time frames for filing an appeal and for letting you or your PROVIDER know of the decision. The type of ADVERSE BENEFIT DETERMINATION or GRIEVANCE will determine the steps that you will need to follow in the appeals process. For all appeals, the review must be requested in writing, within 180 days of an ADVERSE BENEFIT DETERMINATION or by the date listed on your Explanation of Benefits.

Any request for review should include:

- MEMBER'S ID number
- MEMBER'S name
- Patient's name
- The nature of the appeal
- Any other information that may be helpful for the review.

To request a form to submit a request for review, visit Blue Cross NC's website at www.BlueCrossNC.com or call Blue Cross NC Customer Service at the number given in "Who to Contact?"

MEMBERS may also receive help with ADVERSE BENEFIT DETERMINATIONS and GRIEVANCES from Health Insurance Smart NC. To reach this Program, contact:

You may also receive help from the Employee Benefits Security Administration at 1-866-444-3272.

After a request for review, a staff member who works in a separate department from the staff members who denied your first request will look at your appeal. The appeals staff members have not reviewed your case or information before. The denial of the initial claim will not have an effect on the review. If a claims denial is based on medical judgment, including determinations about whether a certain treatment, drug or other item is EXPERIMENTAL, INVESTIGATIONAL, or not MEDICALLY NECESSARY or appropriate, Blue Cross NC shall seek advice from a health care professional with an appropriate level of training and expertise in the field of medicine involved (as determined by Blue Cross NC). The health care professionals have not reviewed your case or information before.

You will have exhausted the PLAN'S internal appeals process after pursuing a first level appeal. Unless specifically noted below, upon completion of the first level appeal you may: pursue a second level appeal; or pursue an external review; or pursue a civil action under 502(a) of ERISA. You will also be deemed to have exhausted the PLAN'S internal appeal process at any time it is determined that Blue Cross NC failed to strictly adhere to all claim determinations and appeal requirements under federal law (other than minor errors that are not likely to cause prejudice or harm to you and were for good cause or situation beyond Blue Cross NC's control). In the event you are deemed to have exhausted the PLAN'S internal appeal process, and unless specifically noted below, you may pursue an external review.

Timeline for Appeals

For appeals about an ADVERSE BENEFIT DETERMINATION, the review must be requested in writing, within 180 days of an ADVERSE BENEFIT DETERMINATION or by the date listed on your Explanation of Benefits.

First Level Appeal

Blue Cross NC will provide you with the name, address and phone number of the appeals coordinator within three business days after receipt of a review request. Blue Cross NC will also give you instructions on how to submit written materials.

Although you are not allowed to attend a first level appeal, you may provide and/or present written evidence and testimony. Blue Cross NC asks that you send all of the written material you feel is necessary to make a decision. Blue Cross NC will use the material provided in the request for review, along with other available information, to reach a decision. If your appeal is due to a NONCERTIFICATION, your appeal will be reviewed by a licensed medical DOCTOR who was not involved in the initial NONCERTIFICATION decision. You may receive, in advance, any new information or rationale that Blue Cross NC may use in making a decision, so that you may have an opportunity to respond prior to the notice of an ADVERSE BENEFIT DETERMINATION.

Blue Cross NC will send you and your PROVIDER notification of the decision in clear written terms within a reasonable time but no later than 30 days from the date Blue Cross NC received the request. You may then request all information that was relevant to the review.

Quality of Care Complaints

For quality of care complaints, an acknowledgement will be sent by Blue Cross NC within ten business days. We will refer the complaint to our quality assurance committee for review and consideration or any appropriate action against the PROVIDER. State law does not allow for a second-level grievance review for grievances concerning quality of care.

Second Level Appeal

Second Level Appeal Timeline

----------------------------	--

NEED TO APPEAL A DECISION? *(cont.)*

Second Level Appeal Meeting	Occurs within 45 days after receipt of request
Notice of the Appeal Meeting	15 days before the appeal meeting
Notice of Decision	7 days after the appeal meeting

If you do not agree with the first level appeal decision, you have the right to a second level appeal. Second level appeals are not allowed for benefits or services that are clearly excluded by this benefit booklet, or quality of care complaints. Within ten business days after Blue Cross NC receives your request for a second level appeal, Blue Cross NC will send you an acknowledgement letter which will include the following:

- Name, address and phone number of the appeals coordinator
- A statement of your rights, including the right to:
 - request and receive all information that applies to your appeal from Blue Cross NC
 - take part in the second level appeal meeting
 - present your case to the review panel
 - submit supporting material before and during the review meeting
 - ask questions of any member of the review panel
 - be assisted or represented by a person of your choosing, including a family member, an EMPLOYER representative, or an attorney
 - pursue other voluntary alternative dispute resolution options as applicable.

The second level appeal meeting will be conducted by a review panel arranged by Blue Cross NC. The panel will include external physicians and/or benefit experts. This will be held within 45 days after Blue Cross NC receives a second level appeal request. Blue Cross NC will give you notice of the meeting date and time at least 15 days before the meeting. The meeting will be held by teleconference. You have the right to a full review of your appeal even if you do not take part in the meeting. A written decision will be issued to you within seven business days of the review meeting.

Notice of Decision

If any claim (whether expedited or nonexpedited) shall be wholly or partially denied at either the first level appeal or the second level appeal, a written notice shall be provided to the MEMBER worded in an understandable manner and shall set forth:

- The specific reason(s) for the denial
- Reference to the specific health benefit plan provisions on which the decision is based
- A statement that the MEMBER is entitled to receive reasonable access to, and copies of, all documents, records and other information relevant to the MEMBER'S claim for benefits upon request at no additional cost
- If applicable, a statement describing any voluntary appeals procedures and the MEMBER'S right to receive information about the procedures as well as the MEMBER'S

right to bring a civil action under Section 502(a) of ERISA following an adverse determination upon review

- A copy of any internal rule, guideline, protocol or other similar criteria relied on in making the decision or a statement that such specific rule, guideline, protocol, or other similar criteria was relied upon in making the decision upon request at no charge
- Instructions on how to request an external, independent review from an independent review organization (IRO) upon completion of this review if not satisfied with the decision (available for NONCERTIFICATIONS only)
- The right to pursue other voluntary alternative dispute resolution options as applicable
- If the decision is based on MEDICAL NECESSITY or EXPERIMENTAL treatment or a similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of the PLAN to the MEMBER'S medical circumstances, or a statement that such explanation will be provided at no cost upon request; and
- The following statement: "You may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office."

Expedited Appeals (Available only for NONCERTIFICATIONS)

You have the right to a more rapid or expedited review of a NONCERTIFICATION if a delay: (i) would reasonably appear to seriously jeopardize your or your DEPENDENT'S life, health or ability to regain maximum function; or (ii) in the opinion of your PROVIDER, would subject you or your DEPENDENT to severe pain that cannot be adequately managed without the requested care or treatment. You can request an expedited second level review even if you did not request that the initial review be expedited. To start the process of an expedited appeal, you can call Blue Cross NC Customer Service at the number given in "Who to Contact?" An expedited review will take place in consultation with a medical DOCTOR. All of the same conditions for a first level or second level appeal apply to an expedited review. Blue Cross NC will communicate the decision by phone to you and your PROVIDER as soon as possible, taking into account the medical circumstances. The decision will be communicated no later than 72 hours after receiving the request. A written decision will be communicated within four days after receiving the request for the expedited appeal. Information initially given by telephone must also be given in writing.

After requesting an expedited review, Blue Cross NC will remain responsible for covered health care services you are receiving until you have been notified of the review decision.

External Review

Federal law allows for an external review of certain ADVERSE BENEFIT DETERMINATIONS by an external, independent review organization (IRO). This service is administered by the PLAN at no charge to you. The PLAN will let you know of your right to request an external review each time you receive:

NEED TO APPEAL A DECISION? *(cont.)*

Expedited External Review

An expedited external review may be available if (1) the time required to complete either an expedited internal appeals review or a standard external review would reasonably be expected to jeopardize your life or health or ability to regain maximum function, or (2) the final internal ADVERSE BENEFIT DETERMINATION concerns an admission, availability of care, continued stay, or health care item or service for which you received EMERGENCY SERVICES, but have not been discharged from a facility. If your request is not accepted for expedited review, the PLAN may: (1) accept the case for standard external review if the internal appeals process has been exhausted; or (2) require the completion of the internal appeals process and another request for an external review.

Within five (5) business days of (or, for an expedited review, immediately upon) receiving your request for an external review, the PLAN must determine whether the external review is eligible (“preliminary review”). The request is eligible if it meets the following requirements:

- Your request is about a NONCERTIFICATION or a rescission of coverage
- You are or were covered under the PLAN at the time the health care item or service was requested or, in the case of a retrospective review, were covered under the PLAN at the time the health care item or service was provided;
- The ADVERSE BENEFIT DETERMINATION or the final ADVERSE BENEFIT DETERMINATION does not relate to your failure to meet the requirements for eligibility under the terms of the PLAN (e.g., worker classification or similar determination);
- You have exhausted, or have been deemed to have exhausted (as defined above), the PLAN’s internal appeals process; and
- You provided all the information and forms required to process an external review.

Within one (1) business day of (or, for expedited review, immediately upon) completing the preliminary review, the PLAN will notify you in writing of whether your request is complete and whether it has been accepted. If the PLAN notifies you that the request is incomplete, you must provide all requested information to the PLAN within the four (4) month filing period or within 48 hours following the receipt of the notice, whichever is later.

NEED TO APPEAL A DECISION? *(cont.)*

If the PLAN accepts your request, the assigned IRO will timely notify you in writing of the acceptance of the external review. The notice will include a notification that you may submit additional written information and supporting documentation relevant to the ADVERSE BENEFIT DETERMINATION to the assigned IRO within ten (10) business days following the date of receipt of the notice. Within five (5) business days (for an expedited review, as expeditiously as possible) after the date of assignment of the IRO, the PLAN shall provide the IRO the documents and any information considered in making the ADVERSE BENEFIT DETERMINATION.

The IRO will send you and the PLAN written notice of its decision within 45 days. If the request is expedited, the IRO will notify you and the PLAN as expeditiously as possible, but in no event more than 72 hours after the IRO receives the request. If the notice is not in writing, the IRO shall provide written confirmation to you and the PLAN within 48 hours after the date of providing the notice. If the IRO's decision is to reverse the ADVERSE BENEFIT DETERMINATION, the PLAN will immediately provide coverage or payment for the requested services or supplies. If you are no longer covered by the PLAN at the time the PLAN receives notice of the IRO's decision to reverse the ADVERSE BENEFIT DETERMINATION, the PLAN will only provide coverage for those services or supplies you actually received or would have received prior to disenrollment if the service had not been denied when first requested.

The IRO's external review decision is binding on you and the PLAN, except to the extent you may have other actions available under applicable federal law. You may not file a subsequent request for an external review involving the same ADVERSE BENEFIT DETERMINATION, for which you have already received an external review decision.

Benefits to which MEMBERS are Entitled

If a MEMBER resides with a custodial parent or legal guardian who is not the EMPLOYEE, the PLAN will, at its option, make payment to either the PROVIDER of the services or to the custodial parent or legal guardian for services provided to the MEMBER. If the EMPLOYEE or custodial parent or legal guardian receives payment, it is his or her responsibility to pay the PROVIDER.

Benefits for COVERED SERVICES specified in the PLAN will be provided only for services and supplies that are performed by a PROVIDER as specified in the PLAN and regularly included in the ALLOWED AMOUNT. Blue Cross NC establishes coverage determination guidelines that specify how services and supplies must be billed in order for payment to be made under the PLAN.

Any amounts paid by the PLAN for noncovered services or that are in excess of the benefit provided under your Blue Options coverage may be recovered by Blue Cross NC. Blue Cross NC may recover the amounts by deducting from a MEMBER'S future claims payments. This can result in a reduction or elimination of future claims payments. In addition, under certain circumstances, if Blue Cross NC pays the PROVIDER amounts that are your responsibility, such as deductible, copayments or coinsurance, Blue Cross NC may collect such amounts directly from you.

ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

Amounts paid by the PLAN for work-related accidents, injuries, or illnesses covered under state workers' compensation laws will be recovered upon final adjudication of the claim or an order of the applicable state agency approving a settlement agreement. It is the legal obligation of the MEMBER, the EMPLOYER or the workers' compensation insurer (whoever is responsible for payment of the medical expenses) to notify Blue Cross NC in writing that there has been a final adjudication or settlement.

PROVIDERS are independent contractors, and they are solely responsible for injuries and damages to MEMBERS resulting from misconduct or negligence.

The privacy of your protected health information is very important. BCBSNC will only use or disclose your protected health information in accordance with applicable privacy laws, including the Health Insurance Portability and Accountability Act (HIPAA).

The PLAN will use protected health information (PHI) to the extent of and in accordance with the uses and disclosures permitted by the Health Insurance Portability and Accountability Act of 1996 (HIPAA). With an authorization, the PLAN will disclose PHI to other plans for purposes related to administration of these plans. The PLAN will disclose PHI to the Plan Sponsor only upon receipt of a certification from the Plan Sponsor that the plan documents have been amended to incorporate appropriate provisions.

The Plan Sponsor agrees to:

- Not use or further disclose PHI other than as permitted or required by the plan document or as required by law;
- Ensure that any agents, including a subcontractor, to whom the Plan Sponsor provides PHI received from the PLAN agree to the same restrictions and conditions that apply to the Plan Sponsor with respect to such PHI;

In accordance with HIPAA, only the following employees may be given access to PHI:

- The Human Resources Director
- The Benefits Director

The persons described above may only have access to and use and disclose PHI for plan administration functions that the Plan Sponsor performs for the PLAN.

If the persons described above do not comply with this plan document, the PLAN ADMINISTRATOR shall provide a mechanism for resolving issues of noncompliance, including disciplinary sanctions.

Electronic Protected Health Information

Electronic Protected Health Information generally means protected health information that is transmitted or maintained in any electronic media. When Electronic Protected Health Information will be created, received, maintained or transmitted to or by the Plan Sponsor on behalf of the PLAN, the Plan Sponsor shall reasonably safeguard the Electronic Protected Health Information as follows:

- Plan Sponsor shall implement administrative, physical, and technical safeguards that reasonably and appropriately protect the confidentiality, integrity and availability of the Electronic Protected Health Information that Plan Sponsor creates, receives, maintains or transmits of behalf of the PLAN;
- Plan Sponsor shall ensure that the adequate separation that is required by the HIPAA Privacy Rule is supported by reasonable and appropriate security measures;

ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

- Plan Sponsor shall ensure that any agent, including a subcontractor, to whom it provides Electronic Protected Health Information agrees to implement reasonable and appropriate security measures to protect such information; and
- Plan Sponsor shall report to the Plan within a reasonable time after Plan Sponsor becomes aware, any Security Incident that results in unauthorized access, use, disclosure, modification, or destruction of the Plan's Electronic Protected Health Information.

Blue Cross NC's Disclosure of Protected Health Information (PHI)

The privacy of your protected health information is very important. Blue Cross NC will only use or disclose your protected health information in accordance with applicable privacy laws, including the Health Insurance Portability and Accountability Act (HIPAA).

Administrative Discretion

Blue Cross NC shall have the discretionary authority to use its discretion to construe and to interpret the terms of the PLAN and to determine the amount of benefits, and its decision on such matters is final and conclusive. Such determinations include decisions concerning coverage of services, care, treatment or supplies, and reasonableness of charges. Any interpretation or determination made pursuant to such discretionary authority shall be given full force and effect. Blue Cross NC medical policies are guides considered by Blue Cross NC when making coverage determinations.

North Carolina PROVIDER Reimbursement

Blue Cross NC has contracts with certain PROVIDERS of health care services for the provision of, and payment for, health care services provided to all MEMBERS entitled to health care benefits. Blue Cross NC's payment to PROVIDERS may be based on an amount other than the billed charges, including without limitation, an amount per confinement or episode of care, agreed upon schedule of fees, capitated fees, amounts based on cost, quality, utilization or other outcomes, or other methodology as agreed upon by Blue Cross NC and the PROVIDER. Under certain circumstances, a contracting PROVIDER may receive payments from Blue Cross NC greater than the charges for services provided to an eligible MEMBER, or Blue Cross NC may pay less than charges for services, due to negotiated contracts. The MEMBER is not entitled to receive any portion of the payments made under the terms of contracts with PROVIDERS. The MEMBER'S liability when defined as a percent of charge shall be calculated based on the lesser of the ALLOWED AMOUNT or the PROVIDER'S billed charge for COVERED SERVICES provided to a MEMBER.

Some OUT-OF-NETWORK PROVIDERS have other agreements with Blue Cross NC that affect their reimbursement for COVERED SERVICES provided to Blue Options MEMBERS. These PROVIDERS agree not to bill MEMBERS for any charges higher than their agreed upon, contracted amount. In these situations, MEMBERS will be responsible for the difference between the Blue Options ALLOWED AMOUNT and the contracted amount. OUT-OF-NETWORK

ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

PROVIDERS may bill you directly. If you are billed, you will be responsible for paying the bill and filing a claim with Blue Cross NC.

Services Received Outside of North Carolina

Blue Cross NC has a variety of relationships with other Blue Cross and/or Blue Shield licensees, generally referred to as “Inter-Plan Arrangements.” As a MEMBER of the PLAN, you have access to PROVIDERS outside the state of North Carolina. Your ID CARD tells PROVIDERS that you are a MEMBER of the PLAN. While the PLAN maintains its contractual obligation to provide benefits to MEMBERS for COVERED SERVICES, the Blue Cross and/or Blue Shield licensee in the state where you receive services (“Host Blue”) is responsible for contracting with and generally handling all interactions with its participating PROVIDERS. If you receive inpatient FACILITY SERVICES from an IN-NETWORK PROVIDER outside of North Carolina, except for Veterans’ Affairs (VA) and military PROVIDERS, the PROVIDER is responsible for requesting PRIOR REVIEW. If you see any other PROVIDER outside the State of North Carolina, you are responsible for ensuring that you or the PROVIDER requests PRIOR REVIEW by Blue Cross NC. Failure to request PRIOR REVIEW and obtain CERTIFICATION will result in a penalty. If you experience an EMERGENCY while traveling outside the state of North Carolina, go to the nearest EMERGENCY or URGENT CARE facility.

All claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for DENTAL SERVICES (unless provided under your medical benefits), PRESCRIPTION DRUG or vision care benefits that may be administered by a third party contracted by Blue Cross NC to provide the specific service or services. Whenever you obtain health care services outside the area in which the Blue Cross NC network operates, the claims for these services may be processed through one of these Inter-Plan Arrangements, which include the BlueCard Program and may include Negotiated National Account Arrangements available between Blue Cross NC and other Blue Cross and/or Blue Shield licensees.

Under the BlueCard Program, the amount you pay toward such COVERED SERVICES, such as deductibles, copayments or coinsurance, is usually based on the **lesser** of:

- The billed charges for your COVERED SERVICES, or
- The negotiated price that the "Host Blue" passes on to Blue Cross NC.

This “negotiated price” can be:

- A simple discount that reflects the actual price paid by the Host Blue to your PROVIDER
- An estimated price that factors in special arrangements with your PROVIDER or with a group of PROVIDERS that may include types of settlements, incentive payments, and/or other credits or charges
- An average price, based on a discount that reflects the expected average savings for similar types of health care PROVIDERS after taking into account the same types of special arrangements as with an estimated price.

ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

The estimated or average price may be adjusted in the future to correct for over- or underestimation of past prices. However, such adjustments will not affect the price that Blue Cross NC uses for your claim because they will not be applied retroactively to claims already paid.

Federal law or the laws in a small number of states may require the Host Blue to add a surcharge to your calculation. If federal law or any state laws mandate other liability calculation methods, including a surcharge, we would then calculate your liability for any covered health care services according to applicable law.

As an alternative to the BlueCard Program and depending on your geographic location, your claim may be processed through a Negotiated National Account Arrangement with a Host Blue. In these situations, the amount you pay for COVERED SERVICES will be calculated based on the lower of the participating PROVIDER'S billed covered charges or the negotiated price made available to Blue Cross NC by the Host Blue.

If reference-based benefits, which are service-specific benefit dollar limits for specific procedures, based on a Host Blue's local market rates, are made available to you, you will be responsible for the amount that the healthcare PROVIDER bills above the specific reference benefit limit for the given procedure. For a participating PROVIDER, that amount will be the difference between the negotiated price and the reference benefit limit. For a nonparticipating PROVIDER, that amount will be the difference between the PROVIDER'S billed charge and the reference benefit limit. Where a reference benefit limit is greater than either a negotiated price or a PROVIDER'S billed charge, you will incur no liability, other than any related patient cost sharing under this PLAN.

If you receive COVERED SERVICES from a nonparticipating PROVIDER outside the state of North Carolina, the amount you pay will generally be based on either the Host Blue's nonparticipating PROVIDER local payment or the pricing arrangements required by applicable state law. However, in certain situations, the PLAN may use other payment bases, such as billed charges, to determine the amount the PLAN will pay for COVERED SERVICES from a nonparticipating PROVIDER. In other exception cases, Blue Cross NC may pay such a claim based on the payment it would make if Blue Cross NC were paying a nonparticipating PROVIDER for the same covered healthcare services inside of Blue Cross NC's service area, where the Host Blue's corresponding payment would be more than Blue Cross NC's in-service area nonparticipating PROVIDER payment, or in Blue Cross NC's sole and absolute discretion, Blue Cross NC may negotiate a payment with such a PROVIDER on an exception basis. In any of these situations, you may be liable for the difference between the nonparticipating PROVIDER'S billed amount and any payment the PLAN would make for the COVERED SERVICES.

Value-Based Programs: BlueCard® Program

If you receive COVERED SERVICES under a Value-Based Program inside a Host Blue's service area, you will not be responsible for paying any of the PROVIDER Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement, except when a Host

ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

Blue passes these fees to Blue Cross NC through average pricing or fee schedule adjustments.

Value Based Programs: Negotiated (non-BlueCard Program) Arrangements

If Blue Cross NC has entered into a Negotiated National Account Arrangement with a Host Blue to provide Value-Based Programs to your EMPLOYER on your behalf, Blue Cross NC will follow the same procedures for Value-Based Programs administration and Care Coordinator Fees as noted above for the BlueCard Program.

Blue Cross Blue Shield Global Core:

If you are outside the United States (hereinafter “BlueCard service area”), you may be able to take advantage of the Blue Cross Blue Shield Global Core when accessing COVERED SERVICES. Blue Cross Blue Shield Global Core is unlike the BlueCard Program available in the BlueCard service area in certain ways. For instance, although the Blue Cross Blue Shield Global Core assists you with accessing a network of inpatient, outpatient and professional PROVIDERS, the network is not served by a Host Blue. As such, when you receive care from PROVIDERS outside the BlueCard service area, you will typically have to pay the PROVIDERS and submit the claims yourself to obtain reimbursement for these services.

If you need medical assistance services (including locating a DOCTOR or HOSPITAL) outside the BlueCard service area, you should call the service center at 1-800-810-BLUE (2583) or call collect at 1-804-673-1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, can arrange a physician appointment or hospitalization, if necessary.

Inpatient Services

In most cases, if you contact the service center for assistance, HOSPITALS will not require you to pay for covered inpatient services, except for any applicable copay, deductible or coinsurance amounts. In such cases, the HOSPITAL will submit your claims to the service center to begin claims processing. However, if you paid in full at the time of service, you must submit a claim to receive reimbursement for COVERED SERVICES. You must contact Blue Cross NC to obtain precertification for non-EMERGENCY inpatient services.

Outpatient Services

Physicians, URGENT CARE centers and other outpatient PROVIDERS located outside the BlueCard service area will typically require you to pay in full at the time of service. You must submit a claim to obtain reimbursement for COVERED SERVICES.

Submitting a Blue Cross Blue Shield Global Core Claim

When you pay for COVERED SERVICES outside the BlueCard service area, you must submit a claim to obtain reimbursement. For institutional and professional claims, you should complete a claim form and send the claim form with the PROVIDER’S itemized bill(s) to the service center (the address is on the form) to initiate claims processing. Following the

ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

instructions on the claim form will help ensure timely processing of your claim. The claim form is available from Blue Cross NC, the service center or online at www.BCBSglobalcore.com. If you need assistance with your claim submission, you should call the service center at 1-800-810-BLUE (2583) or call collect at 1-804-673-1177, 24 hours a day, seven days a week.

Right of Recovery Provision

The provisions of this section apply to all current or former PLAN participants and also to the parents, guardian, or other representative of a DEPENDENT CHILD who incurs claims and is or has been covered by the PLAN. The PLAN'S right to recover (whether by subrogation or reimbursement) shall apply to the personal representative of your estate, your decedents, minors, and incompetent or disabled persons. "MEMBER" includes anyone on whose behalf the PLAN pays benefits. No adult covered person hereunder may assign any rights that it may have to recover medical expenses from any tortfeasor or other person or entity to any minor child or children of said adult covered person without the prior express written consent of the PLAN.

As used throughout this provision, the term "responsible party" means any party possibly responsible for making any payment to a MEMBER due to a MEMBER'S injuries or illness or any insurance coverage including, but not limited to, uninsured motorist coverage, underinsured motorist coverage, personal umbrella coverage, medical payments coverage, workers' compensation coverage, no-fault automobile insurance coverage, or any first party insurance coverage.

The PLAN is always secondary to automobile no-fault coverage, personal injury protection coverage, or medical payments coverage.

No disbursement of any settlement proceeds or other recovery funds from any insurance coverage or other source will be made until the PLAN'S subrogation and reimbursement interest are fully satisfied.

The right of subrogation means the PLAN is entitled to pursue any claims that the MEMBER may have in order to recover the benefits paid by the PLAN. Immediately upon paying or providing any benefit under the PLAN, the PLAN shall be subrogated to all rights of recovery a MEMBER has against any party potentially responsible for making any payment to a MEMBER due to a MEMBER'S injuries, illness or condition, to the full extent of benefits provided or to be provided by the PLAN. The PLAN may assert a claim or file suit in the MEMBER'S name and take appropriate action to assert its subrogation claim, with or without your consent. The PLAN is not required to pay the MEMBER part of any recovery it may obtain, even if it files suit in the MEMBER'S name.

In addition, if a MEMBER receives any payment from any potentially responsible party as a result of an injury, illness or condition, the PLAN has the right to recover from, and be reimbursed by, the MEMBER for all amounts the PLAN has paid and will pay as a result of that injury or illness, up to and including the full amount the MEMBER receives from all potentially

ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

responsible parties. The MEMBER agrees that if the MEMBER receives any payment from any potentially responsible party as a result of an injury or illness, the MEMBER will serve as a constructive trustee over the funds for the benefit of the PLAN. Failure to hold such funds in trust will be deemed a breach of the MEMBER'S fiduciary duty to the PLAN. No disbursement of any settlement proceeds or other recovery funds from any insurance coverage or other source will be made until the PLAN'S subrogation and reimbursement interest are fully satisfied.

Further, the PLAN will automatically have a lien, to the extent of benefits advanced, upon any recovery whether by settlement, judgment or otherwise, that a MEMBER receives from the third party, the third party's insurer or any other source as a result of the MEMBER'S injuries. The lien is in the amount of benefits paid by the PLAN for the treatment of the illness, injury or condition for which another party is responsible.

The lien can be filed with or enforced against any party who possesses funds or proceeds representing the amount of benefits paid by the PLAN including, but not limited to, the MEMBER; the MEMBER'S representative or agent; responsible party; responsible party's insurer, representative or agent; and/or any other source possessing funds representing the amount of benefits paid by the PLAN. In order to secure the PLAN'S recovery rights, the MEMBER agrees to assign to the PLAN any benefits or claims or rights of recovery they have under any automobile policy or other coverage, to the full extent of the PLAN'S subrogation and reimbursement claims. This assignment allows the PLAN to pursue any claim the MEMBER may have, whether or not they choose to pursue the claim.

The MEMBER acknowledges that the PLAN'S recovery rights are a first priority claim against all potentially responsible parties and are to be paid to the PLAN before any other claim for the MEMBER'S damages. The PLAN shall be entitled to full reimbursement first from any potentially responsible party payments, even if such payment to the PLAN will result in a recovery to the MEMBER which is insufficient to make the MEMBER whole or to compensate the MEMBER in part or in whole for the damages sustained. It is further understood that the PLAN is not required to participate in or pay court costs or attorney fees to any attorney hired by the MEMBER to pursue their damage claim.

The terms of this entire right of recovery provision shall apply and the PLAN is entitled to full recovery regardless of whether any liability for payment is admitted by any potentially responsible party and regardless of whether the settlement or judgment received by the MEMBER identifies the medical benefits the PLAN provided or purports to allocate any portion of such settlement or judgment to payment of expenses other than medical expenses. The PLAN is entitled to recover from **any and all** settlements or judgments, even those designated as pain and suffering or non-economic damages and/or general damages only. The PLAN'S claim will not be reduced due to your own negligence.

The MEMBER acknowledges that Blue Cross NC has been delegated authority by the PLAN ADMINISTRATOR to assert and pursue the right of subrogation and/or reimbursement on behalf of the PLAN. The MEMBER shall fully cooperate with Blue Cross NC's efforts to recover benefits paid by the PLAN. It is the duty of the MEMBER to notify Blue Cross NC in writing of

ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

the MEMBER'S intent to pursue a claim against any potentially responsible party, within 30 days of the date when any notice is given to any party, including an insurance company or attorney, of the intention to pursue or investigate a claim to recover damages or obtain compensation due to injuries or illness sustained by the MEMBER. The MEMBER and their agents agree to provide the PLAN or its representatives notice of any recovery the MEMBER or the MEMBER'S agents obtain prior to receipt of such recovery funds or within 5 days if no notice was given prior to receipt. Further, the MEMBER and the MEMBER'S agents shall provide notice prior to any disbursement of settlement or any other recovery funds obtained. The MEMBER shall provide all information requested by Blue Cross NC or its representative including, but not limited to, completing and submitting any applications or other forms or statements as Blue Cross NC may reasonably request and all documents related to or filed in personal injury litigation.

The MEMBER shall do nothing to prejudice the PLAN'S recovery rights as herein set forth. This includes, but is not limited to, refraining from entering into any settlement or recovery that attempts to reduce, waive, bar or exclude the full cost of all benefits provided by the PLAN.

The MEMBER acknowledges that the PLAN has the right to conduct an investigation regarding the injury, illness or condition to identify potential sources of recovery. The PLAN reserves the right to notify all parties and his/her agents of its lien. Agents include, but are not limited to, insurance companies and attorneys.

The MEMBER acknowledges that the PLAN has notified them that it has the right pursuant to the Health Insurance Portability & Accountability Act ("HIPAA"), 42 U.S.C. Section 1301 *et seq*, to share your personal health information in exercising its subrogation and reimbursement rights.

In the event that any claim is made that any part of this right of recovery provision is ambiguous or questions arise concerning the meaning or intent of any of its terms, the MEMBER and the PLAN agree that the PLAN ADMINISTRATOR shall have the sole authority and discretion to resolve all disputes regarding the interpretation of this provision.

The MEMBER agrees that any legal action or proceeding with respect to this provision may be brought in any court of competent jurisdiction as Blue Cross NC may elect. Upon receiving benefits under the PLAN, the MEMBER hereby submits to each such jurisdiction, waiving whatever rights may correspond to the MEMBER by reason of the MEMBER'S present or future domicile. By accepting such benefits, the MEMBER agrees to pay all attorneys' fees the PLAN incurs in successful attempts to recovery amounts the PLAN is entitled to under this section.

Recovery of Overpayment

If the amount of the payments made by Blue Cross NC is more than it should have paid under the PLAN, it may recover the excess from one or more of the persons it has paid or for whom it has paid, or any other person or organization that may be responsible for the benefits or services provided for the MEMBER. The "amount of the payments made" includes the reasonable cash value of any benefits provided in the form of services.

ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

Notice of Claim

The PLAN will not be liable for payment of benefits unless proper notice is furnished to Blue Cross NC that COVERED SERVICES have been provided to a MEMBER. If the MEMBER files the claim, written notice must be given to Blue Cross NC within 18 months after the MEMBER INCURS the COVERED SERVICE, except in the absence of legal capacity of the MEMBER. The notice must be on an approved claim form and include the data necessary for Blue Cross NC to determine benefits.

Notice of Benefit Determination

Blue Cross NC will provide an explanation of benefits determination to the MEMBER or the MEMBER'S authorized representative within 30 days of Blue Cross NC's receipt of a notice of claim if the MEMBER has financial liability on the claim other than a copayment or other services where payment was made at the point of service (unless the PLAN has chosen to provide an explanation of benefits for additional claims where the MEMBER does not have a financial liability other than a copayment).

Blue Cross NC may take an extension of up to 15 more days to complete the benefits determination if additional information is needed. If Blue Cross NC takes an extension, Blue Cross NC will notify the MEMBER or the MEMBER'S authorized representative of the extension and of the information needed. You will then have 90 days to provide the requested information. As soon as Blue Cross NC receives the requested information, or at the end of the 90 days, whichever is earlier, Blue Cross NC will make a decision within 15 days.

Such notice will be worded in an understandable manner and will include:

- The specific reason(s) for the denial of benefits
- Reference to the benefit booklet section on which the denial of benefits is based
- A description of any additional information needed for you to perfect the claim and an explanation of why such information is needed
- A description of the review procedures and the time limits applicable to such procedures, including the MEMBER'S right to bring a civil action under Section 502(a) of ERISA following a denial of benefits
- A copy of any internal rule, guideline, protocol or other similar criteria relied on, if any, in making the benefit determination or a statement that it will be provided without charge upon request
- If the denial of benefits is based on MEDICAL NECESSITY or EXPERIMENTAL treatment or a similar exclusion or limit, either an explanation of the scientific or clinical judgment, applying the terms of the PLAN to the MEMBER'S medical circumstances, or a statement that this will be provided without charge upon request; and
- In the case of a denial of benefits involving URGENT CARE, a description of the expedited review process available to such claims.

Upon receipt of a denial of benefits, you have the right to file an appeal with Blue Cross NC. See "Need To Appeal a Decision?" for more information.

ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

Limitation of Actions

You must complete all of the required steps under the PLAN'S administrative claims and appeals procedures. For plans that are subject to ERISA, this means that you must timely file an initial claim (if applicable) and timely file and complete a first level appeal of any ADVERSE BENEFIT DETERMINATION before bringing suit under ERISA. For plans that are not subject to ERISA, this means that you must file and complete a first level appeal and, for those COVERED SERVICES and items subject to a second level appeal, you must also file and complete a second level appeal. To confirm whether your plan is subject to ERISA, you should contact your PLAN ADMINISTRATOR.

Any lawsuit that you file must be filed within the earlier of (1) within one year after receiving a final ADVERSE BENEFIT DETERMINATION regarding your first level appeal (or for non-ERISA plans, a second level appeal, if required) or (2) three years from the date the charge giving rise to the claim is INCURRED (or, if there are no such charges, the date your claim arose). Failure to follow the PLAN'S administrative claims and appeals procedures in a timely manner will cause you to lose your right to sue regarding an ADVERSE BENEFIT DETERMINATION and/or to recover benefits. Generally, this means that any claim, action or suit filed in court or in another tribunal will be dismissed.

Please see "Need to Appeal a Decision?" for details regarding the appeals process.

Evaluating New Technology

In an effort to allow for continuous quality improvement, Blue Cross NC has processes in place to evaluate new medical technology, procedures and equipment. These policies allow Blue Cross NC to determine the best services and products to offer MEMBERS. They also help Blue Cross NC keep pace with the ever-advancing medical field. Before implementing any new or revised policies, Blue Cross NC reviews professionally supported scientific literature as well as state and federal guidelines, regulations, recommendations, and requirements. Blue Cross NC then seeks additional input from PROVIDERS who know the needs of the patients they serve.

Maintenance of Benefits (Overlapping Coverage)

If a MEMBER is also enrolled in another health plan, the PLAN may take into account benefits paid by the other plan.

Additionally, this PLAN always pays secondary to any medical payment, Personal Injury Protection (PIP) or no-fault coverage under any automobile policy available to you and to any plan or program which is required by law. All MEMBERS should review their automobile insurance policy to ensure that uncoordinated medical benefits have been chosen so that the automobile insurance policy is the primary payer.

Maintenance of benefits (MOB) means that if a MEMBER is covered by more than one insurance plan or automobile policy as described above, benefits under one insurance plan are determined before the benefits are determined under the second insurance plan. The

ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

insurance plan that determines benefits first is called the primary insurance plan. The other insurance plan is called the secondary insurance plan.

Under Maintenance of Benefits, if the PLAN is the secondary insurance plan, it will pay the difference, if any, between the amount that would have been paid if the plan was primary, and the amount that the primary insurance plan pays. The PLAN does this by calculating what it would normally pay if it were the primary insurance plan, and then subtracting from that amount the amount that was paid by the primary insurance plan. If there is any balance left over, then the PLAN will pay that balance. This means that you will not receive 100 percent coverage between the two plans.

If you receive services from an OUT-OF-NETWORK PROVIDER, you are responsible for any charges not paid by either insurance plan. You may wish to check with the primary insurance plan to find out if an OUT-OF-NETWORK PROVIDER participates in the primary insurance plan's network and whether this affects your responsibility for paying up to the PROVIDER'S charges.

If either the primary or the secondary health benefit plan covers a particular service, where the PLAN is the secondary plan, the PLAN will coordinate benefits for that service based on the benefits of the secondary coverage. However, if neither the primary nor secondary plan covers a particular service, the MEMBER will be responsible for payment for that service.

Blue Cross NC, on behalf of the PLAN may request information about the other plan from the MEMBER. A prompt reply will help Blue Cross NC process payments quickly. There will be no payment until primary coverage is determined. It is important to remember that even when benefits from other health plans are taken into account, **benefits for COVERED SERVICES under this PLAN are still subject to program requirements, such as PRIOR REVIEW and CERTIFICATION procedures.**

Important Information for MEMBERS Eligible for Medicare

If you are eligible for or enrolled in Medicare, the PLAN will determine Medicare primacy in accordance with the Medicare Secondary Payer rules and will coordinate benefits based on your Medicare eligibility. Information regarding how Medicare works with other insurance benefits like those offered by the PLAN can be found on www.medicare.gov. If you or your DEPENDENTS are covered under the PLAN, and are eligible for Medicare, the PLAN may take into account the benefits that you or your DEPENDENTS are eligible for under Medicare, regardless of whether you have actually enrolled for such coverage. In other words, even if you have not enrolled in Medicare, the PLAN may reduce a claim based on the benefits you are eligible for under Medicare, and then pay the remaining claim amount under the terms of the PLAN and in accordance with the Medicare Secondary Payer rules. As a result, if you are eligible for Medicare and Medicare would pay benefits primary to the PLAN, your out-of-pocket costs may be higher if you do not enroll in Medicare. The Medicare Secondary Payer rules that determine when Medicare pays benefits primary to other insurance benefits like those offered by the PLAN are complex and will not result in higher out-of-pocket costs in every instance. Therefore, if

you become eligible for Medicare and are unsure about how the PLAN will coordinate benefits with Medicare, please contact your PLAN ADMINISTRATOR for more information.

FEDERAL NOTICES

The following Federal Notices describe benefits that are included as part of your ESSENTIAL HEALTH BENEFITS. See "COVERED SERVICES" for more details.

Statement of Rights Under the Newborns' and Mothers' Health Protection Act

Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any HOSPITAL length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by Cesarean section. However, the plan or issuer may pay for a shorter stay if the attending PROVIDER (e.g., your DOCTOR, nurse midwife or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, group health plans and health insurance issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a DOCTOR or other health care PROVIDER obtain CERTIFICATION for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain PROVIDERS or facilities, or to reduce your out-of-pocket costs, you may be required to obtain CERTIFICATION.

Mastectomy Benefits

Under the Women's Health and Cancer Rights Act of 1998, the PLAN provides for the following services related to mastectomy SURGERY:

- Reconstruction of the breast on which the mastectomy has been performed
- SURGERY and reconstruction of the non-diseased breast to produce a symmetrical appearance without regard to the lapse of time between the mastectomy and the reconstructive SURGERY
- Prostheses and physical complications of all stages of the mastectomy, including lymphedemas.

See PROVIDER's Office, or for external prostheses, see PROSTHETIC APPLIANCES in Other Services in the "Summary of Benefits."

Please note that the decision to discharge the patient following mastectomy SURGERY is made by the attending physician in consultation with the patient.

The benefits described above are subject to the same applicable deductibles, copayment or coinsurance and limitations as applied to other medical and surgical benefits provided under the PLAN.

FEDERAL NOTICES *(cont.)*

Important Notice of Special Enrollment

If you are declining enrollment for yourself or your DEPENDENTS (including your spouse) because of other health insurance (including Medicaid or Children's Health Insurance Program (CHIP)) or group health plan coverage, you may be able to enroll yourself and the DEPENDENTS in this PLAN if you or your DEPENDENTS lose eligibility for that other coverage (or if the employer stops contributing towards your or your DEPENDENTS' other coverage). However, you must request enrollment within 30 days after your or your DEPENDENTS' other coverage ends (other than Medicaid or CHIP) or if the employer stops contributing towards your or your DEPENDENTS' other coverage and within 60 days after the loss of Medicaid or CHIP eligibility.

In addition, if you have a new DEPENDENT as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your DEPENDENTS. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption or foster care, except when adding a DEPENDENT CHILD will not change your coverage type or premiums that are owed.

The above timeframes may be extended by federal law. Please contact your PLAN ADMINISTRATOR with any questions.

These discounts on goods and services may not be provided directly by the PLAN or Blue Cross NC, but may instead be arranged for your convenience. These discounts are outside the PLAN benefits. Neither the PLAN nor Blue Cross NC is liable for problems resulting from goods and services it does not provide directly, such as goods and services not being provided or being provided negligently. The gifts and charitable donations are also outside the PLAN benefits. Neither the PLAN nor Blue Cross NC is liable for third party PROVIDERS' negligent provision of the gifts. The PLAN ADMINISTRATOR or Blue Cross NC may stop or change these programs at any time.

GLOSSARY

These definitions will help you understand the PLAN. Please note that some of these terms may not apply to the PLAN.

ADAPTIVE BEHAVIOR TREATMENT

Behavioral and developmental interventions that systematically manage instructional and environmental factors or the consequences of behavior that have been shown to be clinically effective through research published in peer reviewed scientific journals and based upon randomized, quasi-experimental, or single subject designs. All services performed must be within the PROVIDER'S scope of license or certification to be eligible for reimbursement.

ADVERSE BENEFIT DETERMINATION

A denial, reduction, or termination of, or failure to provide or make full or partial payment for a benefit resulting from the application of any utilization review, as well as a failure to cover an item or service for which benefits are otherwise provided because it is determined to be EXPERIMENTAL or INVESTIGATIONAL or not MEDICALLY NECESSARY or appropriate. Rescission of coverage and initial eligibility determinations are also included as adverse benefit determinations.

ALLOWED AMOUNT

The maximum amount that Blue Cross NC determines is reasonable for COVERED SERVICES provided to a MEMBER. The allowed amount includes any Blue Cross NC payment to the PROVIDER, plus any deductible, coinsurance or copayment. For PROVIDERS that have entered into an agreement with Blue Cross NC, the allowed amount is the negotiated amount that the PROVIDER has agreed to accept as payment in full. The allowed amount may be based on a schedule of fees, capitated arrangement or other formula agreed upon between the PROVIDER and Blue Cross NC. Except as otherwise specified in "EMERGENCY and Ambulance Services," for PROVIDERS that have not entered into an agreement with Blue Cross NC, the allowed amount will be the lesser of the PROVIDER'S billed charge or an amount based on an OUT-OF-NETWORK fee schedule established by Blue Cross NC or through the BlueCard system that is applied to comparable PROVIDERS for similar services under a similar health benefit plan. Where Blue Cross NC has not established an OUT-OF-NETWORK fee schedule amount for the billed service, the allowed amount will be the lesser of the PROVIDER'S billed charge or an amount established by Blue Cross NC or through the BlueCard system using a methodology that is applied to comparable PROVIDERS who may have entered into an agreement with Blue Cross NC for similar services under a similar health benefit plan. Other than described above, Blue Cross NC will not pay the OUT-OF-NETWORK PROVIDER'S billed charge unless doing so is required by law. Calculation of the allowed amount is based on several factors including Blue Cross NC's medical, payment and administrative guidelines. Under the guidelines, some procedures charged separately by the PROVIDER may be combined into one procedure for reimbursement purposes.

The use of a service or supply including, but not limited to, treatment, procedure, facility, equipment, drug, or device that Blue Cross NC does not recognize as standard medical care of the condition, disease, illness, or injury being treated. The following criteria are the basis for Blue Cross NC's determination that a service or supply is investigational:

- a) Services or supplies requiring federal or other governmental body approval, such as drugs and devices that do not have unrestricted market approval from the U.S. Food and Drug Administration (FDA) or final approval from any other governmental regulatory body for use in treatment of a specified condition. Any approval that is granted as an interim step in the regulatory process is not a substitute for final or unrestricted market approval.
- b) There is insufficient or inconclusive scientific evidence in peer-reviewed medical literature to permit Blue Cross NC's evaluation of the therapeutic value of the service or supply
- c) There is inconclusive evidence that the service or supply has a beneficial effect on health outcomes
- d) The service or supply under consideration is not as beneficial as any established alternatives
- e) There is insufficient information or inconclusive scientific evidence that, when utilized in a non-investigational setting, the service or supply has a beneficial effect on health outcomes and is as beneficial as any established alternatives.

If a service or supply meets one or more of the criteria, it is deemed investigational except for clinical trials as described under the PLAN. Determinations are made solely by Blue Cross NC after independent review of scientific data. Opinions of experts in a particular field and/or opinions and assessments of nationally recognized review organizations may also be considered by Blue Cross NC but are not determinative or conclusive.

OTHER IMPORTANT PLAN INFORMATION *(cont.)*

ERISA Rights Statement

As a participant in the PLAN, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all MEMBERS shall be entitled to:

- Examine, without charge, at the PLAN ADMINISTRATOR'S office and at other specified locations, such as worksites, all PLAN documents, including insurance contracts, collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the PLAN with the U.S. Department of Labor.
- Obtain, upon written request to the PLAN ADMINISTRATOR, copies of documents governing the operation of the PLAN, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated Summary Plan Descriptions. The PLAN ADMINISTRATOR may make a reasonable charge for the copies.
- Receive a summary of the PLAN'S financial report. The PLAN ADMINISTRATOR is required by law to furnish each MEMBER with a copy of this summary annual report.
- Continue health care coverage for yourself, spouse or DEPENDENTS if there is a loss of coverage under the PLAN as a result of a QLE. You or your DEPENDENTS may have to pay for such coverage. Review this Summary Plan Description and the documents governing the PLAN on the rules governing your COBRA continuation coverage rights.

In addition to creating rights for MEMBERS, ERISA imposes duties upon the people who are responsible for the operation of the PLAN. The people who operate the PLAN, called "fiduciaries" of the PLAN, have a duty to do so prudently and in the interest of you and other PLAN MEMBERS and beneficiaries. No one, including your EMPLOYER or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA. If your claim for a welfare benefit is denied in whole or in part you must receive a written explanation of the reason for the denial. You have the right to have your claim reviewed and reconsidered. Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request materials from the PLAN and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the PLAN ADMINISTRATOR to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the PLAN ADMINISTRATOR. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or federal court. In addition, if you disagree with the PLAN'S decision or lack thereof concerning the qualified status of a medical child support order, you may file suit in federal court. If it should happen that the PLAN fiduciaries misuse the PLAN'S money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

OTHER IMPORTANT PLAN INFORMATION *(cont.)*

If you have any questions about the PLAN, you should contact the PLAN ADMINISTRATOR. If you have any questions about this statement or about your rights under ERISA, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, DC 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

Assignability

Benefits payable under the PLAN may be used to make direct payments to service providers. Unless the law requires otherwise, benefits may not be subject in any manner to alienation by anticipation, sale, transfer, assignment, bankruptcy, pledge, attachment, charge or encumbrance of any kind. Any attempt to alienate, sell, transfer, assign, pledge, attach, charge or otherwise encumber any benefit amount will be void. The PLAN will not be liable for or subject to any part of your debts or liabilities. If, by reason of your bankruptcy or other event happening at any such time, an amount payable under the PLAN would not be enjoyed by you, then the PLAN ADMINISTRATOR may terminate your interest in any such amount and shall hold or apply it to your benefit or to your dependent's benefit, in the manner the PLAN ADMINISTRATOR may deem proper. Aside from this, amounts payable under the PLAN may be assigned as provided in the PLAN.

General Plan Provisions

Amendment and Termination

The EMPLOYER expects and intends to continue the PLAN indefinitely. However, the EMPLOYER reserves the right to amend or terminate the PLAN at any time and for any reason, by written action of the board of directors of the EMPLOYER. If the PLAN is amended or terminated, you and other active EMPLOYEES may not receive benefits as described in other sections of the PLAN. You may be entitled to receive different benefits, or benefits under different conditions. However, it is possible that you will lose all benefit coverage. This may happen at any time, if the EMPLOYER decides to terminate the PLAN or your coverage under the PLAN. In no event will you become entitled to any vested rights under this PLAN. Further the provisions of this paragraph cannot be modified in any manner except by resolution of the board of directors of the EMPLOYER.

Compliance with Federal Laws

The provisions of the PLAN shall be construed, administered and enforced according to applicable Federal law and, to the extent not pre-empted, the laws of the State of North Carolina. The terms of this PLAN shall be construed and administered in a manner calculated to meet the minimum requirements of applicable law, including but not limited to, the Americans with Disabilities Act of 1990, the Family and Medical Leave Act of 1993, the Uniformed Services Employment and Reemployment Rights Act of 1994, the Health

OTHER IMPORTANT PLAN INFORMATION *(cont.)*

Insurance Portability and Accountability Act of 1996, the Newborns' and Mothers' Health Protection Act of 1996, and the Women's Health and Cancer Rights Act of 1998. To the extent a Plan provision is contrary to or fails to address the minimum requirements of these Federal laws, the PLAN shall provide the coverage or benefit necessary to comply with such minimum requirements.

Judicial Review

The PLAN ADMINISTRATOR and any persons acting in a fiduciary capacity under the PLAN shall have the maximum legal discretion to make decisions concerning the operation and administration of the PLAN including, but not limited to, the provision or denial of benefits and factual determinations related thereto. Such decisions shall not be subject to further review unless determined to be an abuse of discretion.

IMPORTANT INFORMATION ABOUT YOUR HEALTH SAVINGS ACCOUNT (HSA)

UNDERSTANDING THE RELATIONSHIP BETWEEN YOUR HEALTH PLAN AND YOUR HEALTH SAVINGS ACCOUNT (HSA)

The product offered by Blue Cross NC is a High Deductible Health Plan (HDHP) that is intended to be paired with a Health Savings Account (HSA). The HSA is not part of this health benefit plan administered by Blue Cross NC. The HSA is administered separately, through a company that is not affiliated with Blue Cross NC. Your rights with respect to the HSA are governed by a separate agreement with the HSA custodian. While Blue Cross NC may forward certain materials to you on behalf of the HSA custodian, Blue Cross NC assumes no responsibility for the administration of the HSA. Termination of your HDHP with Blue Cross NC does not terminate your HSA with the HSA custodian.

Your HDHP can qualify you, or someone else on your behalf, to contribute to a HSA, unless you are otherwise ineligible under applicable federal requirements. You must be covered under an HDHP to contribute, or have someone else contribute on your behalf, to an HSA. Factors that may make you ineligible to have contributions made to your HSA include, but may not be limited to, whether you are covered directly or as a DEPENDENT on other, disqualifying health coverage (including other health funds), whether you can be claimed as a DEPENDENT on another person's tax return, and whether you are enrolled in Medicare. In addition, the Tax Code limits the amount that may be contributed to an HSA. Even if Blue Cross NC collects information from you that may indicate your ineligibility to contribute to an HSA, or that may indicate your contribution limit, Blue Cross NC will not make these determinations, and it is your responsibility to do so. If you are unsure, please consult a qualified tax advisor.

Some expenses may not qualify for reimbursement under the Tax Code. Some DEPENDENTS may not qualify as DEPENDENTS for purposes of reimbursement from your fund. It is your responsibility to determine which, if any, of your and your dependents' medical expenses qualify for reimbursement from your HSA fund. If you are unsure, please consult a qualified tax advisor.

Know how much you owe when using your HSA

When you receive medical services, you are encouraged to establish a payment plan with your provider. Your provider can choose to collect an estimated amount from you at the time of service. Before using your HSA funds to pay for these services, you should ask what steps your provider has taken to ensure that they have not collected too much from you. The final determination of how much you owe your provider cannot be calculated until your claim has been submitted to your health plan and appropriate benefits and negotiated prices have been

applied for your provider's services. It is your responsibility to make sure you know the tax implications if you use your HSA funds for medical expenses that may not be considered qualified.

If you have been issued a debit card in connection with your HSA, the following applies. The debit card is issued by the bank chosen by your HSA custodian. Although Blue Cross NC's name and marks may be included on the face of the debit card for your convenience, Blue Cross NC is not responsible or liable for administration of your debit card. The terms and conditions associated with your debit card are governed by your agreement with the bank issuing the card. It is your responsibility to ensure that the card is used only for qualified medical expenses. If you are unsure about whether an expense is a qualified medical expense, please consult a qualified tax advisor.
